

A photograph of a father and a young child standing on a grassy hill. The father is holding the child, and they are both looking towards the horizon. The sky is filled with a warm, golden light from the setting or rising sun, creating a soft, hazy atmosphere. The grass in the foreground is a mix of green and brown, suggesting it might be late summer or autumn.

Fatherhood is a blessing  
and a responsibility, a  
privilege to reflect the  
love of God the Father to  
your children.

**The Power and Importance of a Father's Blessing** Billy O'Neal,2011-12-15 God along with the patriarchs in the Bible clearly spoke of blessings and curses and the power and importance of them However whether we acknowledge this truth or not it is both real and relevant and it applies to us our children and our children s children After living life on a roller coaster of ups and downs Billy O Neal discovered the power and importance of a father s blessing That same day he made the decision to do everything in his power to receive the blessing of his father This would be easier said than done because Billy hadn t seen or heard from his father in over 15 years He left one morning with nothing more than an address to find his father in the North Georgia Mountains What happened that day changed his future along with the future of his children s children forever This anointed testimony has inspired many to take action This redemptive true story of a father and son will inspire you to give or receive your father s blessing *A Dad's Blessing* Gary Smalley,John T. demands consistent with their mother's mantra. People expect preacher's kids to be perfect. The Voice of Truth bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ conflicts with voices of deception from pulpits and pews triggering crippling anxiety, depression, and suicidal ideation. Further compounding his confusion is a terrifying awareness of the cult's distortion of scripture concerning his innate identity. When a Connecticut preacher detects his private struggle, the Bible scholar promises, "If you marry a good Pentecostal girl, this thing will just fade away." Jasper foolishly accepts the challenge, believing that the pastor's counsel is based on Truth. A 32-year battle ensues during which a Pentecostal preacher's daughter, who is aware of his struggle and trained in Exploitation of Advantage, manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which simply won't leave me alone. Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the anti-Christ's claim on his soul, rescuing him from abominable doctrines through Spiritual Enlightenment to Truth. Absolute Spiritual Warfare ensues during which he is molested by authority figures, betrayed by cult dishonesty, falls into sin, is attacked by demons, and is delivered by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth. In the end, his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building: marriage, family, home, career, material wealth, and reputation. Yet in losing all, he is delivered from the Darkness of cult idolatry, whereupon he is finally free to immerse himself in genuine Truth, Light, and Love, breaking the tyrannical chains of Cult Religion. Released by the Holy Spirit from cult bondage, he is at last unleashed to fulfill his destiny: To teach the Truth about Jasper Love, that boundless unconditional love known only to those who genuinely experience Spiritual Enlightenment to a people deceived by the hateful harlots of idolatry who are nothing more than power-crazed, authoritarian, self-aggrandizing, despotic, anti-Christ heretics who worship only one god: CONTROL.
