## **Drews Blues:**

Drew's Blues Drew Page, 1999-03-01 Congratulations on a much needed book on the Big Band era especially from the viewpoint of the side man Having been one for about eight years before becoming a leader I can really appreciate your approach A bandleader is no better than the men behind him and I have had some great ones including of course Drew Page Freddy Martin Having lived behind the scenes during the Big Band era of the thirties and forties Page invites us to share that era with him An instrumentalist or sideman in many touring bands he recounts friendships with now famous as well as unknown musicians who made American dance music Like them Drew Page loved his music and the road He did not want to stay in one place and one job for thirty years repeating one year or experience thirty times He wanted to see things to observe people and places After a lifetime of traveling and music every town began to seem like home Page's life was touched with humor disappointment triumph and some tragedy Perhaps it's the variety of my experiences none seeming to relate to the others that has given my life its discontinuity Certainly discontinuity characterized his daily life but continuity his music characterized its essence Brought together by their art the traveling bandmembers were apt to encounter each other any place any time and so they avoided goodbyes I'll be seeing you That's the way I left Harry James and the boys in the band recalls Page In this well illustrated autobiography he tells us what it was like to travel in the days before paved roads and how the Great Depression the death of vaudeville and World War II affected the music business He gives us anecdotes about the famous musicians he worked with Harry James Red Nichols Freddy Martin among others and he talks about his fellow sidemen His narrative unrolls like a scroll inscribed with the names of those who made American dance music and jazz famous Every music lover nostalgia seeker and student of American culture will want to own this book

## Drews Blues Introduction

In today's digital age, the availability of Drews Blues books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Drews Blues books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Drews Blues books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Drews Blues versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Drews Blues books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Drews Blues books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Drews Blues books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Drews Blues books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge,

offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Drews Blues books and manuals for download and embark on your journey of knowledge?
