recruit manage and retain the best talent in an increasingly nontraditional entrepreneurial and peripatetic workforce Who stakeholders are why they matter and how they will extend beyond any comparable business organization to this point Why the rigid boundaries between for profit and nonprofit ventures are likely to dissolve through alternate forms of value creation resulting in hybrid enterprises By embracing impermanence and becoming true shape shifters protean businesses will not only endure they ll come to dominate large segments of the global economy Provocative and pragmatic The Future Arrived Yesterday is a dynamic blueprint for a tumultuous economic age Canadian Government Railways Employees Magazine,1925 *A History of the Scottish Highlands, Highland Clans and Highland Regiments* Sir John Scott Keltie,1875
