Beginning Anew:

Beginning Anew Sister Chan Khong, 2014-12-10 A practical guide on how to clear up misunderstandings communicate more honestly and openly and heal relationships with an introduction by Thich Nhat Hanh When we re upset with someone we re often afraid to say anything We tell ourselves Oh it s just a small matter it s not important But the accumulation of many small issues can create an explosive situation and can even cause relationships to break Beginning Anew gives us a way to address problems when they re small so we can understand each other s words actions and intentions Author Sister Ch n Kh ng guides readers through conscious breathing loving speech and compassionate listening all designed to help us see people and situations more clearly and allow our perceptions to better reflect reality After a few minutes of quiet and mindful reflection each person within the group speaks without being interrupted moving through the four important steps 1 Express appreciation of the other person This is something we may forget to do in our busy lives and can lead the people around us to feel taken for granted 2 Express regrets This is something we often put off doing but the clear expression of misgivings and regrets gives practitioners the chance to clear the air and directly address any problems in the relationship 3 4 Express anger or difficulties and check in with each other to be sure everyone was understood Featuring inspiring client success stories Beginning Anew provides a roadmap for anyone looking to keep communication open and resolve conflicts When practiced regularly it will bring deeper understanding and harmony to any relationship
