## **Before The Leaves Fall:**

**Home Before the Leaves Fall** Ian Senior,2012-07-20 The result of years of research in British French and German archives this is a new critical history of how close Germany came to winning the First World War in 1914 The German invasion of France and Belgium in August 1914 came close to defeating the French armies capturing Paris and ending the First World War before the autumn leaves had fallen But the German armies failed to score the knock out blow they had planned and the war would drag on for four years of unprecedented slaughter There are many accounts of 1914 from the British point of view and the achievements of the British Expeditionary Force are the stuff of legend But in reality there were only four British divisions in the field while the French and Germans had more than 60 each The real story of the battle can only be told by an author with the skill to mine the extensive German and French archives Ian Senior does this with consummate skill weaving together strategic analysis with diary entries and interview transcripts from the soldiers on the ground to create a remarkable new history

[Home Before the Leaves Fall](#) N L Collier,2017-12-19 Offering a different perspective of the First World War Home Before the Leaves Fall follows two young German soldiers as they struggle to survive during a period of danger and uncertainty August 1914 as war breaks out across Europe German university student Franz Becker rushes to enlist Franz is nineteen and the war appears to offer an adventure and the opportunity to escape from his dull safe life Franz s closest friend Karl von Leussow is appalled by the conflict Karl s family has provided the Prussian Army with officers for generations and he knows that war is brutal and bloody But Karl too enlists to defend his country After six weeks of inadequate training the new recruits arrive in Ypres where intense fighting results in slaughter Franz is profoundly shocked by the scenes he witnesses but learns to fight for his life Promoted to corporal and then sergeant Franz rises up the military ranks until he is pressured to become an officer Unwilling to take the express ticket to eternity he refuses the role Karl who grew up hunting becomes a sniper much to Franz s dismay As aircraft fragile structures built using wood and fabric start to appear increasingly above the trenches Franz starts to wonder what it would be like to fly and observe the war from above When he applies for a transfer to the Air Service Franz tries to persuade Karl to

go with him but his friend refuses Both men get their wishes and are transferred Before separating for the foreseeable future the two go on leave together perhaps for the final time N L Collier draws from extensive research to write a book that will appeal to readers that enjoy historical fiction particularly that about the military Home Before the Leaves Fall is the first book in The Flowers of the Grass series which follows Franz from 1914 to the end of the war **Home Before the Leaves Fall** Ian Senior,2012-07-20 The result of years of research in British French and German archives this is a new critical history of how close Germany came to winning the First World War in 1914 The German invasion of France and Belgium in August 1914 came close to defeating the French armies capturing Paris and ending the First World War before the autumn leaves had fallen But the German armies failed to score the knock out blow they had planned and the war would drag on for four years of unprecedented slaughter There are many accounts of 1914 from the British point of view and the achievements of the British Expeditionary Force are the stuff of legend But in reality there were only four British divisions in the field while the French and Germans had more than 60 each The real story of the battle can only be told by an author with the skill to mine the extensive German and French archives Ian Senior does this with consummate skill weaving together strategic analysis with diary entries and interview transcripts from the soldiers on the ground to create a remarkable new history
