## A Language Of Reverence:

**A Language of Reverence** Dean Grodzins,2004-03-01 Unitarian Universalists are currently engaged in a wide ranging discussion on the language of reverence The dialogue revolves around two big questions Are we talking about religion in a way adequate to our needs as a religious community and What are we talking about when we talk about religion In this anthology five prominent Unitarian Universalists illuminate these issues from different perspectives **The Oxford Handbook of African Languages** Rainer Vossen,Gerrit Jan Dimmendaal,2020 This book provides a comprehensive overview of current research in African languages drawing on insights from anthropological linguistics typology historical and comparative linguistics and sociolinguistics It covers a wide range of topics from grammatical sketches of individual languages to sociocultural and extralinguistic issues *The Passing of Capitalism* Isador Ladoff,1901 **Religious Humanism** ,2003 Lavengro George Borrow,1888 *Growing Wings to Overcome Gravity* George A. Panichas,1999 Writers of novels plays and poems use their imagination with an evident freedom by contrast makers of Christian doctrine seem to impose limits reducing the open ended meaning of images to exact concepts and summing up the loose ends of stories in one unified Story But the author of this study sets out to show how images and stories in literature can actually help the theologian to make doctrinal statements while at the same time careful theological thinking can assist the critical reading of literary texts Such a dialogue is worked out in studies of the poetry of William Blake and Gerard Manley Hopkins and the novels of D H Lawrence Iris Murdoch and William Going Here the tension between the freedom of imagination and the limits of doctrine is seen to be only a part of more far reaching tensions of freedom in human life which account for a sense of fallenness and which a dialogue between literature and Christian doctrine can do much to illuminate In all this the relationship between imagination and revelation is never far from the center of the discussion **The Akan Doctrine of God** J.B. Danquah,2014-01-02 First Published in 1968 Danquah s desire with this title is to expound Akan thought in such a way as to make it comprehensible to western thinkers and to demonstrate that it is comparable to their system In pursuance of this objective he calls forth his philosophical training and indulges in metaphysical and ethical speculation The effects of this are evident in the whole book whether in his discussion of the nature of the supreme Being or in his exposition of Akan ethical thought *The Spoken Word* Louie Bagley,1925 *The Expository Times* James Hastings,Ann Wilson Hastings,Edward Hastings,1908 Records of the English Province of the Society of Jesus Henry Foley,1877 *Records of the English province of the Society of Jesus ... in the sixteenth and seventeenth centuries* Henry Foley,1877 A new dictionary of the French and English languages compiled from the dictionaries of the French Academy, Bescherelle, Littré, Beaujean, Bourguignon, etc., etc., and from the most recent works on arts and sciences Ebenezer Clifton,Adrien Grimaux,1889 The Critical Philosophy of Immanuel Kant Caird,1889 **Education on Physiognomical Principles** J.
