Character Witnesses:

Character Witness Christine Wood,2003-01-01 If necessary use words When you think about evangelism you probably think about what you need to say to an unbeliever You imagine memorizing a five point outline or a three point plan Christine Wood acknowledges that it is important to be able to express the truth of Christ But in Character Witness she emphasizes that it is just as important to live a life that expresses who Christ is St Francis of Assisi put it this way Preach the gospel at all times if necessary use words Character Witness is about personal integrity in evangelism It will help you develop qualities like graciousness purity wisdom and patience And it will show you how to extend yourself to others in ways that express the fullness of the grace of Christ Wood s message is simple but revolutionary Your character is your most valuable evangelism resource
