Fiction Films IV* Donald C. Willis,1997-08-07 This fourth title in a unique series that combines reference and analytical  
qualities in chronicling the horror and science fiction genres Horror and Science Fiction Films IV brings the earlier three  
volumes in the series up to date concentrating on the period from 1984 1994 as well as updating entries from the previous  
volumes and adding newly discovered titles from 1900 1983 Entries in the main list include credits cast synopsis and  
annotation The introduction lists 1995 releases in the genres and 1996 releases through the summer cites the more  
memorable films in the genres for both the current period and 1900 1984 and serves as an index to key titles in the main list  
including long lost titles such as the obscure silent *Were Tiger* and the 1931 *The Phantom* Willis includes many films from  
around the world that are not found in any other English language film reference work One appendix provides thumbnail  
descriptions of problem and peripheral films another updates entries in the first three books with alternate titles and a third  
appendix serves as an index to the approximately 7 000 films listed in the first three volumes in the series as well as in the  
current volume thus bringing the total number of films covered in this series to roughly 11 000 titles *Bridge* ,1981
