Chasing Jordan:

Chasing Jordan Heidi W. Boehringer, 2005 A story of love and loss Chasing Jordan is a quiet novel with a thunderclap at its heart With this first novel Ms Boehringer gives notice that she is a writer to watch This is my kind of novel Whatever Heidi Boehringer writes next I will read Harry Crews When Meg approaches home with her daughter in the back seat she sees her husband spying on the neighbor who is gardening in very short shorts In this moment of distraction she hits and kills her two year old son Jordan With humor that is both provocative and totally unpredictable Chasing Jordan shows how the road to forgiveness is both twisted and dangerous Heidi W Boehringer studied creative writing at the University of Florida Her most recent jobs were bartender loan processor and project manager She lives in southern Florida Chasing Jordan is her first novel

Chase the Rain Joe Brooks, 2013-11-15

Take One for the Team Thomas Slater, 2014-12-30 Wisdom Jones's mother needs a kidney and the only donor is one of his old enemies Highnoon who offers the organ for the chance to kill Wisdom Jones accepts the proposition but issues a stipulation of his own he wants one week to intervene in the lives of his trifling family members and steer them away from a pathway of destruction Take One For The Team leaves Wisdom Jones matching wits with deadly adversaries in an attempt to free his family from the hand of destruction and deliver them into the land of righteousness

The Little Book of Victim Offender Conferencing Lorraine S. Amstutz, 2009-12-01 Victim offender dialogues have been developed as a way to hold offenders accountable to the person they have harmed and to give victims a voice about how to put things right It is a way of acknowledging the importance of the relationship of the connection which crime creates Granted the relationship is a negative one but there is a relationship Amstutz has been a practitioner and a teacher in the field for more than 20 years

We Were Relentless Martin J. Levin, 2009 West Bloomfield MI Life for the able bodied is difficult enough There are confusing individual choices to make the usual minefield of relationships financial uncertainty and other challenges of the real world Imagine how much more difficult it would be for those who have to live with disabilities such as needing a wheelchair to get around or being blind or deaf Author Martin J Levin shares with readers an inspiring and stirring account of his son's struggles and triumphs in WE WERE RELENTLESS A Family's Journey to Overcome Disability Jordan Levin's life started out as a perilous and suspenseful adventure for his parents Born three months premature he was so small that he weighed only 31 ounces with tiny hands the size of a man's fingernail He had to have a series of operations to correct conditions that threatened his grip on life But hang on he did And when it seemed that everything would turn out fine Jordan was diagnosed as being profoundly deaf he could hear sounds with frequencies below a certain threshold but above that and he was at a loss Amazingly even before the diagnosis young Jordan had the uncanny innate ability to lip read So with the courage and foresight of his parents who were determined to raise him as normally as possible he learned how to speak graduated with a B A from Michigan State University and grew up to become a successful and confident man Later he would embark on a career as a motivational speaker and personal trainer

More than a fascinating story of a person's triumph over disability WE WERE RELENTLESS A Family's Journey to Overcome Disability is also a touching account about a father's and mother's love for their son and how they encouraged him every step of the way to be all that he could be For more information log on to www.wewererelentless.com **You're My Bambino!** Rob Gross,2017-08-07 An orphan stronghold that sure doesn't sound too good does it But what is it and how does it affect me Armed with first hand knowledge of one how has been there done that Rob Gross illustrates the subject with his own personal journey The story of how he transitioned from a life characterized by depression and dysfunction to one of wholeness and freedom as God's bambino captures our attention and answers our questions Additionally it is a message of hope that demonstrates how one can experience dramatic healing within family relationships and even shows how we can contribute to the healing of our land Ideal for either individual or group study You're My Bambino not only offers a clear understanding of how childhood wounds may have caused us to feel and act like orphans but also provides self diagnostic tools prayers and tips about how to break free of the stronghold **Stone Angels (Primani Series Book Three)** Laurie Olerich,2014-02-05 Bound by blood and time Mica Sean and Killian share a destiny that no one dreamed possible With the fate of the world in the balance they fight to save not only humanity but also each other 3 000 years is a long time to wait Killian is patient He knows the prize is worth it He watches he hopes but he never interferes The terms are clear on that say anything at all the promise is broken Everything's going according to plan until Sean loses his mind Tortured by guilt Sean walks a tightrope between two worlds After a woman dies he will pay the ultimate price unless someone can save him Mica is still Sean's anchor Their physical connection can't be denied but what of their love Desperate to save him from falling she risks everything she has including Killian How far will she go to pull him back Every step she takes moves her farther away from Killian's plan Two paths Two destinies One choice *The Big Book of Restorative Justice* Howard Zehr,Allan MacRae,Kay Pranis,Lorraine Stutzman Amstutz,2015-10-13 For the first time the four most popular restorative justice books in the Justice Peacebuilding series The Little Book of Restorative Justice Revised and Updated The Little Book of Victim Offender Conferencing The Little Book of Family Group Conferences and The Little Book of Circle Processes are available in one affordable volume Restorative justice with its emphasis on identifying the justice needs of everyone involved in a crime is a worldwide movement of growing influence that is helping victims and communities heal while holding criminals accountable for their actions This is not a soft on crime feel good philosophy but rather a concrete effort to bring justice and healing to everyone involved in a crime Circle processes draw from the Native American tradition of gathering in a circle to solve problems as a community Peacemaking circles are used in neighborhoods in schools in the workplace and in social services to support victims of all kinds resolve behavior problems and create positive climates Each book is written by a scholar at the forefront of these movements making this important reading for classrooms community leaders and anyone involved with conflict resolution **LeBron James vs. the NBA** Brendan Bowers,2017-11-15 Showcasing one of professional
