Break a Leg: The Musical (Libretto) Ricciardi / Nugent, *Longhouse Revolution* Conrad Riker, 101-01-01 Tired of Being a Second Class Citizen in a Feminist World It s Time to Break Free Are you exhausted by a society that demonizes your masculinity while demanding you sacrifice everything for it Do you feel trapped in a system that rewards female dominance while punishing male ambition Have you ever wondered why traditional male roles are being erased and what you can do to fight back What this book offers you A no nonsense breakdown of how feminism has created a Longhouse system designed to control and exploit men Practical strategies to escape the psychological financial and cultural chains of modern gynocracy Insights into how feminist policies have dismantled male institutions from education to religion and how to rebuild them A bold redefinition of masculinity that rejects toxic labels and embraces strength leadership and independence A roadmap for navigating the sexual marketplace without falling victim to feminist double standards Tools to protect yourself from false accusations financial exploitation and emotional manipulation A call to action for men to unite create male only spaces and reclaim their rightful place in society A vision for the future where men lead with purpose build legacies and thrive outside the feminist Longhouse If you re ready to stop being a pawn in feminism s game and start living as a free empowered man then buy *Longhouse Revolution Men s Path to Reclaiming Power* today Your future depends on it The Long Run Catriona Menzies-Pike, 2017-05-23 An unlikely marathoner finds her way through grief and into the untold history of women and running Thirty year old Catriona Menzies Pike defined herself in many ways voracious reader pub crawler feminist backpacker and since her parents deaths a decade earlier orphan Runner was nowhere near the list Yet when she began training for a half marathon on a whim she found herself an instant convert Soon she realized that running a pace suited to the precarious labor of memory was helping her to grieve the loss of her parents in ways that she had been for ten messy years running away from As Catriona excavates her own past she also grows curious about other women drawn to running What she finds is a history of repression and denial running was thought to endanger childbearing and as late as 1967 the organizer of the Boston Marathon tried to drag a woman off the course telling her to get the hell out of my race but also of incredible courage and achievement As she brings to life the stories of pioneering athletes and analyzes the figure of the woman runner in pop culture literature and myth she comes to the heart of why she s running and why any of us do
