Allah's Mountains Sebastian Smith, 2005-11-25 A mixture of travelogue history and war journalism Allah s Mountains tells the story of the conflict between a nation of mountain tribes and the might of the Russian army Ancient travellers called the Caucasus the mountain of languages Greeks Persians Romans Goths Arabs Mongols and Turks have all passed through the region poets and artists have been inspired by its rugged beauty Yet its history is a tragic one for centuries it has been ravaged by virtually continuous conflict The Caucasus is a hugely strategic part of the world sandwiched between Iran

Turkey and Russia and crossed by some of the most valuable oil pipelines in the world The latest conflict to sweep across the area began when Vladimir Putin invaded Chechnya in 1999 Thousands of Russian soldiers and thousands more Chechens both rebels and civilians died and Chechnya s towns and cities were bombed beyond recognition Sebastian Smith travelled to Chechnya during this period Allah s Mountains is the story of the history people and cultures of the Caucasus and of tiny ethnic groups struggling for both physical and cultural survival

Pearls and Swine JaQuan Readus,2023-06-26 In this what is called life there will be good and bad For some life s lows seem to outnumber the highs My story is a great example of that premise Physical and sexual as well as rejection in my childhood left me with the perspective that life s lows were what life was With very little instruction on life and what to do with it I lived for the day not really caring to see the next not caring for my own life I felt nothing for the lives of others that carelessness put me in a place where I realized Not only my physical person was imprisoned but the spiritual also I knew that I couldn t escape this prison on my own I needed something greater than myself I sought to teach myself self discipline and tried to enlighten myself studying religious text But there was still a hole where I knew something should be In my search my eyes were really opened to evils of man which enlarged the whole that I was

trying to fill As I was reading in my cell one night a wave of understanding washed over me And I knew what I was missing love Here I was reading the story of a man who I didn t believe in demonstrate something that I ve been missing and looking for without really knowing was missing in my life for so long So I decided to obtain it by imitating who literally is it And as I attempt this imitation I see the highs and lows of life in a different light I lived a life without hope But there is always hope Sometimes we just have to look for it and sometimes we have to let it find us And as for the highs and lows of life I ve learned to separate the pearls from the swine
