Chasing The Dragons:

Chasing Dragons Kyle Grayson, 2008-04-12 Canada has received significant attention of late for initiating a government sponsored medical marijuana program and for its flirtation with marijuana decriminalization At best these initiatives have contributed to Canada being seen as a reluctant ally by Washington and at worst as a potential threat The result of this impression is increasing American pressure to adopt more robust domestic security policies At the same time the Canadian public sees itself as holding unique values that differ from those held by its neighbour to the south Supposedly these values are best reflected by a distinctive security outlook which produces reasonable responses to potential threats a sharp contrast to the manic actions of the United States Chasing Dragons challenges these presumptions of difference and exposes the security politics and policy that they make possible Focusing on the issues surrounding illicit drugs Kyle Grayson examines how discourses and practices of security policy actually contribute to the construction of Canadian national and cultural identity This analysis is also relevant beyond Canada Crucially this book identifies the dangers of underestimating the centrality of race and geopolitics to civic conceptions of nationality in liberal societies Chasing Dragons reconsiders the meaning of security Additionally it discusses avenues for resisting the insecurity produced by liberal states in the post 9 11 world This critical approach reveals the pervasiveness of power in contemporary Canadian society how this power is hidden and the consequences for progressive social politics

Chasing the Dragons Mike Mulloy, 1997 *Slaying the Dragon* William L. White, 1998 The product of more than 20 years of research Slaying the Dragon is the remarkable story of America's personal and institutional responses to alcoholism and other addictions It is the story of mutual aid societies the Washingtonians the Blue Ribbon Reform Clubs the Ollapod Club the United Order of Ex Boozers the Jacoby Club Alcoholics Anonymous and Women for Sobriety It is a story of addiction treatment institutions from the inebriate asylums and the Keely Institutes to Hazelden and Parkside It is a story of evolving treatment interventions that range from water cures and mandatory sterilization to aversion therapies and methadone maintenance Author William White provides a sweeping and engaging history of one of America's most enduring problems and the profession that was born to respond to it publisher website
