

Popular American Proverbs

Absence makes the heart grow fonder.

Actions speak louder than words.

A friend in need is a friend indeed.

All's fair in love and war.

Give someone an inch, they will take a mile.

All's well that ends well.

Honesty is the best policy.

Beggars can't be choosers.

If at first you don't succeed, try, try again.

Better late than never.

Better safe than sorry.

Blood is thicker than water.

American Proverbs:

A Dictionary of American Proverbs Wolfgang Mieder, 1992 Americans have a gift for coining proverbs A picture is worth a thousand words was not as you might imagine the product of ancient Chinese wisdom it was actually minted by advertising executive Fred Barnard in a 1921 advertisement for Printer s Ink magazine After all Americans are first and foremost a practical people and proverbs can be loosely defined as pithy statements that are generally accepted as true and useful The next logical step would be to gather all of this wisdom together for a truly American celebration of shrewd advice A Dictionary of American Proverbs is the first major collection of proverbs in the English language based on oral sources rather than written ones Listed alphabetically according to their most significant key word it features over 15 000 entries including uniquely American proverbs that have never before been recorded as well as thousands of traditional proverbs that have found their way into American speech from classical biblical British continental European and American literature Based on the fieldwork conducted over thirty years by the American Dialect Society this volume is complete with historical references to the earliest written sources and supplies variants and recorded geographical distribution after each proverb Many surprised await the reader in this vast treasure trove of wit and wisdom Collected here are nuggets of popular wisdom on all aspects of American life weather agriculture travel money business food neighbors friends manners government politics law health education religion music song and dance And to further enhance browsing pleasure the editors have provided a detailed guide to the use of the work While it s true that many of our best known proverbs have been supplied by the ever present Anonymous many more can be attributed to some very famous Americans like Ernest Hemingway Abraham Lincoln Benjamin Franklin Mark Twain J Pierpont Morgan Thomas Alva Edison Abigail Adams and Ralph Waldo Emerson to name but a few offered in this fascinating collection Who wouldn t want to know the origin of the opera ain t over till the fat lady sings This uniquely American proverb and many more are gathered together in A Dictionary of American Proverbs A great resource for students and scholars of literature psychology folklore linguistics anthropology and cultural history this endlessly intriguing volume is also a delightful companion for anyone with an interest in American culture *American Proverbs* Dizzy Naduka, 2021-03-20 American Proverbs From The USA and The Americas Would you like to know more proverbs to prepare yourself for that occasion when you might need a picturesque or poetic way to say something Most of us are often in this type of situation It would help if you expressed yourself in an intellectually sound way but would rather say it indirectly but still convey the right information and emotion One of the best ways to do that is by the use of Proverbs and wise sayings From a long time ago humanity has used proverbs as a powerful communications tool to convey all kinds of information This is true for happiness situations of celebrations caution anger love hate learning or teaching Although these quotes and wise sayings are ubiquitous worldwide you will find that each group tends to have preferences for certain types of expressions This peculiarity could be how the quotes are said the settings that invoke them the mood that inspires or trigger

them or any other event that makes them express their common proverbs Proverbs are essential in an average man or woman's daily lives in this modern age where most of us are busy with the stresses of the computer and information age that we hardly have time to smell the coffee Proverbs are usually short simple and generally easy to understand and a compelling way to say something shortly and concisely These small packets of gold are typically scattered all around and often thrown around by people on different occasions but generally difficult to find all collected in a list for people to read and use for the right events as this book has done I decided to write this book to help you overcome the problems I often have when expressing myself using a proverb or powerful quote By having thousands of sayings at your fingertips as they have laid out in this book you will quickly become used to citing sayings and quotes that will convey your intellectual and poetic capabilities to your family friends colleagues and others American Proverbs is a book like no other in the types of information that it contains It contains mostly the sayings that are commonly used in America and other American cultures around the world Even though it's translated into the English language here they still carry the original American humor in them As you will find in the other titles in this series Proverbs of the world the same common principles run through them There are many different types of sayings and quotes in this book including the following v General Proverbsv Nature Proverbsv Earth Related Proverbsv Christian Proverbsv Motivational Proverbs Inspirational Proverbs Functional Proverbsv People Proverbsv Animal Proverbsv Bird Proverbsv River Proverbsv Travel Proverbs I firmly believe that you will find much fun education religion nature inspiration etc in these books of proverbs As is stated by a common proverb The taste Of The Pudding Is In The Eating This proverb applies directly to this book and the other ones in this series Hence I urge you to make my day and yours by adding this book to your shopping cart and then ENJOY Have a good day

Dictionary of Authentic American Proverbs Wolfgang Mieder, 2021-09-17

Dictionary of Authentic American Proverbs offers a comprehensive reference guide for distinctly American proverbs Compiled by Wolfgang Mieder a key figure in the field of proverb studies this compendium features nearly 1 500 proverbs with American origins spanning the 17th century to present day including a scholarly introduction exploring the history of proverbs in America the structure and variants of these proverbs known authors and sources and cultural values expressed in these proverbs Along with a comprehensive bibliography of proverb collections and interpretive scholarship this dictionary offers a glimpse into the history of American social and cultural attitudes through uniquely American language

Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor's Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings

letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting's authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what's the real thing and what is spurious **101**

American English Proverbs Harry Collis, 1992 This text presents in everyday English 101 commonly used proverbs enabling students to use proverbs appropriately and encouraging cross cultural understanding **American Proverbs** Wolfgang Mieder, 1989 This study represents the first comprehensive treatise of American proverbs each chapter including an interpretative essay a special bibliography and numerous texts in contexts The fifteen chapters deal with the proverb in general American proverbs in particular proverbs of the immigrants proverbs current in the various states proverbs of the Native Americans Afro American proverbs Benjamin Franklin's proverbs proverbs in prose literature proverb poems proverbs in popular songs wellerisms proverbs in comics and cartoons proverbs in advertisements and a special final chapter on the modern American proverb Different strokes for different folks A large bibliography three indices and forty illustrations are included *American Proverbs About Women* Lois Kerschen, 1998-06-25 Proverbs supposedly contain the wisdom of the common folk eternal truths to be passed down through the ages They are short often humorous expressions that teach lessons or give practical advice and they are perhaps the best indicators of attitudes and beliefs of any form of folklore Not only reflecting culture proverbs also perpetuate the cultural dictates of the past including the fears prejudices and misconceptions of their predominately male authors Because they are generalizations proverbs sometimes impede accurate observation and analysis and stifle original thought Like many other traditions and cultural practices proverbs often promote misleading stereotypes of women This reference book collects more than 800 American proverbs about women and analyzes their significance The volume begins with introductory chapters that explore the relationship between proverbs and culture and the image of women presented in proverbs The chapters that follow are devoted to particular categories such as wives and marriage mothers and daughters women as property and old women and grandmothers Each chapter includes a brief introductory overview and a listing of proverbs relating to the topic The proverbs were gathered through an extensive review of journal articles proverb dictionaries and other literature In addition to true proverbs the volume includes some phrases sayings and proverbial comparisons Not included are expressions that contain words like mother or daughter but do not really describe women or comment about them The book then presents a concluding analysis of how American proverbs portray women an alphabetical index of proverbs and an extensive bibliography *American Proverbs* David

Allport,2024-02-15 We have all heard ourselves saying these American proverbs They are as American as apple pie peanut butter and jelly and hamburgers This book shines a bright light into the truth and meaning behind these common sayings of ours Now using the lens of the Bible to help us see these statements through dialogue we can understand more accurately if American proverbs contain the truth The stories are often comical and whimsical but always get to the heart of the matter As you read each American proverb and the story you will want to share them with family and friends and in so doing you will be imparting the life changing truths of the Scriptures

American Proverbs Judith Reitman,1999 Americans are practical people and they have a gift for coining pithy phrases Much of the wit and wisdom commonly attributed to other cultures has in fact had its origin in America in the cornfields coal mines timberlands and on the reservations and city streets of yesteryear This collection of over 150 proverbs captures the colourful and diversified ways Americans uniquely express their views of life All proverbs are arranged by topic Body and Mind Friendship and Family Men and Women Money The Spirit African American Proverbs Native American Proverbs and Selected Proverbs by State Twenty five exquisite illustrations bring this collection to life

A Dictionary of American Proverbs and Proverbial Phrases, 1820-1880 Archer Taylor,Bartlett Jere Whiting,1967

Proverbs Are The Best Policy Wolfgang Mieder,2005-10-30 Mieder introduces this survey with an examination of what characterizes American proverbs what are their origins and how they have spread internationally with the expansion of America s political role He then turns to the origins and varied historical uses of what has become the defining proverb of American democracy government of the people by the people for the people The employment of proverbs had no brighter exponent among the nation s founding generation than Abigail Adams who was not without influence despite the exclusion from political office of women As they have for so much her abundant letters provide rich sources for politically charged proverbs Though it is especially associated with Abraham Lincoln a house divided against itself cannot stand is a biblical proverb that has proven of wide value as a political expression Frederick Douglass s proverbial prowess paralleled that of his contemporary Lincoln and he employed it effectively in his battle for civil rights Given proverbs enduring role in American politics it is an interesting exercise to compare how United States presidents have employed them in their inaugural addresses which have produced such gems as John F Kennedy s ask not dictum The bonds Franklin Roosevelt and Winston Churchill formed through the World War II alliance were expressed in the proverbial language that frequently enlivened their correspondence Having addressed these aspects of the proverb in American politics Mieder winds up by considering the sociopolitical significance of the ambiguous proverb good fences make good neighbors

"Right Makes Might" Wolfgang Mieder,2019-04-04 A powerful and timely addition to the literature of rhetoric and folklore Choice In 1860 Abraham Lincoln employed the proverb Right makes might opposite of the more aggressive Might makes right in his famed Cooper Union address While Lincoln did not originate the proverb his use of it in this critical speech indicates that the fourteenth century phrase had taken on new ethical and democratic connotations in the nineteenth century In this collection famed scholar of proverbs Wolfgang Mieder explores the multifaceted use and function of proverbs through the history of the United States from their early beginnings up through their use by such modern day politicians as Barack Obama Hillary Rodham Clinton and Bernie Sanders Building on previous publications and unpublished research Mieder explores sociopolitical aspects of the American worldview as expressed through the use of proverbs in politics women s rights and the civil rights movement and by looking at the use of proverbial phrases Mieder demonstrates how one traditional phrase can take on numerous expressive roles over time and how they continue to play a key role in our contemporary moment
