## **Bash Latterday Plays:**

Bash Neil LaBute, 2000 Neil LaBute's *Bash* is a collection of three darkly brilliant one act plays. In *Medea Redux* a woman tells of her complex and ultimately tragic relationship with her junior high school English teacher. In *Iphigenia in Orem* a Utah businessman confides in a stranger in a Las Vegas hotel room confessing to an especially chilling crime. In *A Gaggle of Saints* a young Mormon couple separately recount the violent events of an anniversary weekend in New York City. All three are unblinking portraits of the evils that are abroad in everyday life, each is distinguished by the raw and yet lyrical intensity that has become Neil LaBute's signature.

Bash Neil LaBute, 2014-12-01 Evil wears an all American glow in Neil LaBute's *BASH LATTERDAY PLAYS*. The characters in this transfixing evening of monologues have that sheen of idealized corn country wholesomeness that Madison Avenue has always put such a premium on: clear skin, sparkling eyes and teeth to make an orthodontist cheer. To look at they're the human equivalents of a glass of milk. But if you know anything about Mr LaBute you probably know already that the milk is laced with arsenic. The stories told in *BASH*, even the one that occurs beneath a police interrogation light, all begin with a comforting air of familiarity that goes down bland and easy. Then comes a moment when the taste turns sour and you feel like gagging. It's as though characters from *Ozzie and Harriet* had suddenly pulled a shiv on you. For all its ostensible cynicism, *BASH* is informed with an earnest probing moralism as fierce as that of Nathaniel Hawthorne. That's what Mr LaBute does best: finding the acid in the blandest substances. Ben Brantley, *The New York Times*.

Neil LaBute: Plays 1 Neil LaBute, 2014-07-31 *Filthy Talk for Troubled Time* is one of LaBute's earliest plays. A downbeat night at a topless bar exposes the gulf between the twitchy clientele and the waitresses who serve but despise them. *The Mercy Seat* examines a couple who on the day after a world changing atrocity toy with exploiting it to start a new life. *Some Girl's* follows a young writer's panicked retreat from his imminent wedding as he seeks out old girlfriends and opens new wounds while in *This Is How It Goes* the breakdown of a seemingly successful marriage is complicated by submerged bigotry. The collection also includes two short plays about relationships in crisis: *A Second of Pleasure* and *Helter Skelter*, which are in equal part tender and chilling. Together these plays form a complex and compelling portrait of the sexes, sometimes warring, sometimes loving but never fully at peace.

**Bash, latterday plays, texte de Neil LaBute**, 2009 *Pimps, Wimps, Studs, Thugs and Gentlemen* Elwood Watson, 2010-03-22 With essays ranging in topic from the films of Neil LaBute to the sexual politics of Major League Baseball, this diverse collection of essays examines the multi-faceted media images of contemporary masculinity from a variety of perspectives and academic disciplines. The book's first half focuses on the issue of racialized masculinity and its various manifestations with essays covering among other topics the re-imagining of Asian American masculinity in Justin Lin's *Better Luck Tomorrow* and the ever-present image of black male buffoonery in the neo-minstrel performances of VH1's *Flavor of Love*. The book's second half explores the issue of contemporary mediated performance and the cultural politics of masculinity with essays focusing on popular media representations of men in a variety of gendered
