## **Distant Revenge:**

Distant Revenge Edward G. Briscoe, Delores R. Johnson, Agatha D. Briscoe, 2000-04 Who's killing the doctors? That's what the reader will be asking as he or she reads *Distant Revenge*. Why would anyone want to kill four doctors in the prime of their careers? They were all respected members of their communities and had successful practices in differing cities. In many ways they are ordinary people. But was there something unusual about them? This is the kind of question we like to ponder as we read of other's misfortunes. We all love mysteries and solving them. *Distant Revenge* is a murder mystery. Its characters are the four doctors, the detectives in four cities who try to solve the crime and two possible suspects. Two fathers blame the loss of a child on the doctors. One is insane and the other is a madman. Though separated by time and place they find themselves on the same path to revenge for a perceived wrong.

The Greatness Within Louise Richardson, 2013-01-30 In 2008 Louise Richardson was taken ill with an ME type illness and a cerebral aneurysm. Her world came to an abrupt stop and everything she had worked hard for came crashing down around her. Louise thought that she had nothing to look forward to and felt very stuck in a situation not of her choosing. She had a responsible job, money, lovely home and was studying for a degree. Just the previous month she had been travelling and had no indication of what was to come. Having spent a number of years within the confines of her home, Louise decided to take back control of her life and began very slowly to find things that she was able to attempt. Louise used poetry to escape her confines and to release her emotions and to finally see a light at the end of the tunnel. Along with poetry, Louise also paints and has revived her love of singing and dancing. She hopes that you find this book both interesting and helpful. Perhaps you are in a dark place at the moment and cannot see a way out; you just need some motivation or the knowledge that someone has the understanding and way forward for how you are feeling at this time. Whatever the reason, please enjoy the read.

**UNNECESSARY BURDENS** Dr. George Akinkuoye, 2023-04-13 Sometimes we do more to sabotage ourselves than any enemy could have. *The Unnecessary Burdens We Carry Through Life* is a theme that speaks to the various forms of baggage we accumulate throughout our lives which can impede our movement and limit our growth. These burdens can take many forms such as past traumas, negative self-talk, limiting beliefs, and unfulfilled expectations. They can weigh heavily on our minds and hearts, challenging navigating life quickly and gracefully. Transform your life today through time-tested methods and techniques and lift the burdens holding you back. Click the buy button and get your copy today.
