such as how not to do an armed hold up Never one to shy from a punch or retreat from a fight Slim is as tough as they come If something s worth doing it s worth overdoing He sees no point in fearing the unknown whether it be cops brothers or betrayers Slim s first hand account takes you into the world of bikers clubs built around motorcycles and the men who ride And the moral of the story Just a life lived on Slim s terms through fists and boots but always with an unswerving loyalty to the international brotherhood
