Apache Trail Richard L. Powers, Superstition Mountain Historical Society, 2008-12 **Apache Trail** Richard L. Powers, Superstition Mountain Historical Society, Gila County Historical Museum, 2009-01-05 Pres Theodore Roosevelt once referred to the Apache Trail as one of the most spectacular best worth seeing sights of the world The once narrow ancient foot trail built as a supply road for the construction of Roosevelt Dam has now evolved into a state highway with majestic scenic vistas and historical grandeur Even in the 1920s the Southern Pacific Railroad touted this road as a must see side trip Each year thousands of people venture along the trail to take a step back in time and relish the breathtaking experience of this fabulous journey The Fish Creek Hill section remains much as it was back in the early 1900s a narrow one vehicle passage on an extremely steep incline that drops 900 feet within a mile along the edge of a steep cliff Although several miles of the road are now paved dirt portions remain that allow tourists a sense of perilous adventure **"The Apache Trail"** ,1990 **Apache Trail** Richard L.
