Apes Men And Morons

**Michael A. Little, Kenneth A. R.
Kennedy**

Apes Men And Morons:

Apes, Men, and Morons Earnest Albert Hooton, 1937 Johnny Dixon is plunged into a terrifying mystery adventure when he removes a blue figurine called a ushabti from church

Apes, Men and Morons Earnest A. Hooton, 1983 **Apes, Men, and Morons, by Earnest Albert Hooton** Earnest Albert Hooton, **Popular Eugenics** Susan Currell, Christina Cogdell, 2006 In a series of revealing essays *Popular Eugenics* demonstrates that eugenic thought persisted in science and culture as well as in social policy and goes a long way toward explaining the durability of eugenic thinking and its effects on social policy in the United States

Framing the moron Gerald O'Brien, 2015-11-01 Many people are shocked upon discovering that tens of thousands of innocent persons in the United States were involuntarily sterilized forced into institutions and otherwise maltreated within the course of the eugenic movement 1900 30 Such social control efforts are easier to understand when we consider the variety of dehumanizing and fear inducing rhetoric propagandists invoke to frame their potential victims This book details the major rhetorical themes employed within the context of eugenic propaganda drawing largely on original sources of the period Early in the twentieth century the term moron was developed to describe the primary targets of eugenic control This book demonstrates how the image of moronity in the United States was shaped by eugenicists This book will be of interest not only to disability and eugenic scholars and historians but to anyone who wants to explore the means by which pejorative metaphors are used to support social control efforts against vulnerable community groups

Histories of American Physical Anthropology in the Twentieth Century Michael A. Little, Kenneth A. R. Kennedy, 2010-01-01 *Histories of American Physical Anthropology in the Twentieth Century* chronicles the history of physical anthropology or as it is now known biological anthropology from its professional origins in the late 1800 up to its modern transformation in the late 1900s In this edited volume 13 contributors trace the development of people ideas traditions and organizations that contributed to the advancement of this branch of anthropology that focuses today on human variation and human evolution Designed for upper level undergraduate students graduate students and professional biological anthropologists this book provides a brief and accessible history of the biobehavioral side of anthropology in America

Word Study, 1926 **The Ethical Outlook**, 1936 **American Ecclesiastical Review** Herman Joseph Heuser, 1938 **The Standard**, 1938 **Social Science Quotations** Robert Merton, 2018-04-27 *Social Science Quotations* has been prepared to meet an evident unmet need in the literature of the social sciences Writings on the lives and theories of individual social scientists abound but there has been no fully documented collection of memorable quotations from the social sciences as a whole The frequent use of quotations in scientific as well as literary writings that are mere summaries or paraphrases typically fail to capture the full force of formulations that have made quotations memorable This book of quotations invites the further reading or rereading of the original texts beyond the quotations themselves Sills and Merton draw extensively upon the writings that constitute the historical core of the social sciences and social thought those works

with staying power often described as the classical texts Many quotations have been drawn from these classical texts because the quotations contain memorable ideas memorably expressed Both consequential and memorable these words have been quoted over the generations entering into the collective memory of social scientists everywhere and at times diffusing into popular thought and into the vernacular as well This book is useful to social scientists anthropologists economists historians political scientists psychiatrists psychologists sociologists and statisticians and for all who want to learn or verify memorable formulations and phrases concerning social thought and social theories It is particularly useful for graduate students taking courses that examine the history of their discipline

The New Yorker, 1939-08 **The Book Digest of Best Sellers**, 1937 **Reports of the Library Trustees and the Librarian and a List of Accessions to the Library for the Year Ending ...** Weston Public Library (Mass.), 1928 **Annual Report of the Trustees ... Together with the Report of the Curator to the Committee on the Museum** Harvard University. Museum of Comparative Zoology, 1929

Annual Report of the Director of the Museum of Comparative Zoology at Harvard College Harvard University. Museum of Comparative Zoology, 1921 The Science of Culture Leslie A. White, 1949 **Forum and Century**, 1937 *The Atlantic Monthly*, 1939 **The Atlantic**, 1939
