Aphrodite Two:

Aphrodite's Entry into Greek Epic Deborah Dickmann Boedeker, 2018-06-22 **Erotic Wisdom** Gary Alan Scott, William A. Welton, 2008-12-18 Erotic Wisdom provides a careful reading of one of Plato's most beloved dialogues the Symposium which explores the nature and scope of human desire. Gary Alan Scott and William A. Welton engage all of the dialogue's major themes devoting special attention to illuminating Plato's conception of philosophy. In the Symposium Plato situates philosophy in an intermediate metaxu position between need and resource ignorance and knowledge showing how the very lack of what one desires can become a guiding form of contact with the objects of human desire. The authors examine the concept of intermediacy in relation both to Platonic metaphysics and to Plato's moral psychology arguing that philosophy for Plato is properly understood as a kind of being in between as the love of wisdom philosophia rather than the possession of it. *Scribner's Magazine ...*, 1910

Sex in Antiquity Mark Masterson, Nancy Sorkin Rabinowitz, James Robson, 2018-02-05 Looking at sex and sexuality from a variety of historical sociological and theoretical perspectives as represented in a variety of media Sex in Antiquity represents a vibrant picture of the discipline of ancient gender and sexuality studies showcasing the work of leading international scholars as well as that of emerging talents and new voices. Sexuality and gender in the ancient world is an area of research that has grown quickly with often sudden shifts in focus and theoretical standpoints. This volume contextualises these shifts while putting in place new ideas and avenues of exploration that further develop this lively field or set of disciplines. This broad study also includes studies of gender and sexuality in the Ancient Near East which not only provide rich consideration of those areas but also provide a comparative perspective not often found in such collections. Sex in Antiquity is a major contribution to the field of ancient gender and sexuality studies.
