Apocalypse The Of Revelation:

Apocalypse Jacques Ellul, 2020-05-05 There has never been a book provoking more delirium foolishness and irrational movements without any relationship to Jesus Christ than the Book of Revelation Jacques Ellul Introduction Known for his trenchant critique of modernity and of those Christians who celebrate their captivity to it Ellul here cuts to the heart of the theological intention of the Book of Revelation and thereby reveals the liberating gospel in all its offensiveness Neither an exhaustive commentary nor a work of historical exegetical analysis Apocalypse is a provocative independent interpretation Ellul seeks to rescue Revelation from the reassuring and orthodox banality to which commentators often reduce it The goal is to perceive the totality of the book in its movement and structure Architecture in movement is the key to understanding Revelation s puzzling but simple message This edition also comes with a new foreword by Jacob Marques Rollison who provides an essential aid for guiding readers through Ellul s thorough engagement with Revelation

Apocalypse Pablo Richard, 2009-05-01 The Book of Revelation has always been a mysterious and intriguing book describing in symbolic terms the confrontation between the Disciples of Christ and the powers political and supernatural that hold sway over the current age Fundamentalists have been attracted to the book and have sought to decipher its strange symbols as coded prophecy of future events But as Pablo Richard shows in Apocalypse the most powerful readings of the Book of Revelation are through the eyes of the oppressed living out their Christian faith in the context of the modern empire It is they who identify most strongly with Revelation s ultimate message of hope and life in the midst of death and persecution Apocalypse first provides a general introduction to the reading of Revelation by examining three keys for its understanding the historical he sociological and the literary structural The book then goes on to explore the whole of the Book of Revelation following the book s own structure Each section provides a line by line reading of the text establishing the literal meaning before applying the interpretive keys already established

Apocalypse! David C. Cooper, 2000-02-01 With the skill that has made him a popular speaker and Christian television personality Pastor Cooper skillfully opens the Word of God and interprets today s headlines in the light of the Revelation Clearly he says history is going somewhere Some of the

things he discusses are doomsday cults the coming economic chaos the certain and unmistakable rise of the Antichrist the Second Coming of Jesus the Great Tribulation the Mark of the Beast **The Book of Revelation**, 1957 *Commentary on Revelation* Ethelbert Bullinger, 2007-03-01 With a surprising number of people professing a belief that we are living in the Biblical End Times this lively 1902 deconstruction of the Book of Revelation is even more relevant than ever Analyzing the final chapters of the Bible on a verse by verse basis and finding much to be contentious about particularly when it comes to other interpretations of the book Bullinger reveals a powerful devotional way to approach Revelation British clergyman ETHELBERT WILLIAM BULLINGER 1837 1913 was one of the most respected Bible scholars of the 19th century He is author of numerous works including *Great Cloud of Witnesses* and *How to Enjoy the Bible* **The Revelation of Jesus Christ** Steven Sherman, 2010-09 Interpreting Revelation in its Proper Context Too often the Western Church views Scripture from a Greek Mind set within the context of a Hellenized society The Church follows a pagan Roman solar calendar which fashions a linear compartmentalized interpretation of the Bible especially the Book of Revelation Contrary to this modernist approach the prophets and writers of the New Testament wrote the Scriptures under the inspiration of the Holy Spirit from a Hebrew cultural context The authors lived in accordance with the Torah and the lunar Hebrew calendar The Hebrew historical view is cyclical and the Hebrew Mind set encompasses a complete lifestyle The Hebrew and Greek Mind sets differ in practice The Hebrew is concerned with action the Greek with knowledge Right conduct is the ultimate concern of the Hebrew right thinking that of the Greek This distinction is critical because it affects how the Book of Revelation is interpreted The end time chronology of the Book of Revelation is not a strict linear account as is often viewed from the Hellenistic Mind set Through a Hebrew narrative of spiraling pictures Revelation gives an overview of the Apocalypse followed by specific details which unveil the future of the nation of Israel unbelievers and the body of Messiah The Revelation of Jesus Christ is a unique verse by verse account of the Book of Revelation viewed from a Hebraic Mind set [The Reality of Apocalypse](#) David L. Barr, 2006 Far from spinning a fantasy of what will never be the book of Revelation depicts an alternate social world in order to shape the community and individual identity of an audience living under imperial rule To highlight the Apocalypse's meaning for its original audience this volume focuses on two interrelated themes pulsing throughout Revelation rhetoric and politics It considers rhetorical strategies and tactics in Revelation and demonstrates how its rhetoric fits the situation in Roman Asia Minor and the struggle within the Apocalypse community It also examines community and cultural conflicts showing how myth symbol and liturgy function as means of resistance in an imperial setting By offering a fresh window on the lively interplay between imagination and history between words and worlds this volume will be indispensable for anyone seeking to understand current scholarly analysis of the book of Revelation *The Book of Revelation* Leonard L. Thompson, 1990 About seventy years after the death of Jesus John of Patmos sent visionary messages to Christians in seven cities of western Asia Minor These messages would eventually become part of the New Testament

canon as The Book of Revelation What was John s message What was its literary form Did he write to a persecuted minority or to Christians enjoying the social and material benefits of the Roman Empire In search of answers to these penetrating questions Thompson critically examines the language literature history and social setting of the Book of the Apocalypse Following a discussion of the importance of the genre apocalypse he closely analyzes the form and structure of the Revelation its narrative and metaphoric unity the world created through John s visions and the social conditions of the empire in which John wrote He offers an unprecedented interpretation of the role of boundaries in Revelation a reassessment of the reign of the Emperor Domitian and a view of tribulation that integrates the literary vision of Revelation with the reality of the lives of ordinary people in a Roman province Throughout his study Thompson argues that the language of Revelation joins the ordinary to the extra ordinary earth to heaven and local conditions to supra human processes [Apocalypse Recalled](#) Harry O. Maier, In the end Apocalypse Recalled seeks to free the imprisoned John of Patmos and employ his massively influential and controversial text to awaken a sleeping sidelined and culturally assimilated church to new imperatives of discipleship

Arthur W. Wainwright,2001-03-13 No part of the Bible is more controversial than the book of Revelation or as it is often called the Apocalypse For eighteen hundred years it has given rise to conflicting interpretations and in the late twentieth century it is as controversial as ever **The Christ of the Apocalypse: Contemplating the Faces of Jesus in the Book of Revelation** Msgr. A. Robert Nusca,2018-06-30 That the Apocalypse of John is a Revelation of Jesus Christ Rev 1 1 is a fact too often overlooked by interpreters of this last book of the Bible As Msgr A Robert Nusca s The Christ of the Apocalypse Contemplating the Faces of Jesus in the Book of Revelation proposes beyond predictions of earthquakes and falling stars St John articulates from start to finish a multifaceted and compelling portrait of Jesus Christ Nusca offers an exegetical reading of selected verses of the Book of Revelation incorporating rich spiritual and pastoral reflections The Christ of the Apocalypse above all affirms that St John s God and Christ centered symbolic universe offers our contemporary world a spiritual place to stand amid the shifting sands of postmodernity As Cardinal Thomas Collins Archbishop of Toronto writes in his Foreword Now as in the first century Christians face martyrdom and those who are not called to die for Christ are called to live for

Christ in a world which in many ways rejects the Gospel More than ever we need the apocalyptic vision to have our own vision of reality clarified and to be strengthened in our evangelical witness

Picturing the Apocalypse Natasha O'Hear, Anthony O'Hear, 2015-06-26 The book of Revelation has been a source of continual fascination for nearly two thousand years Concepts such as The Lamb of God the Four Horsemen the Seventh Seal the Beasts and Antichrist the Whore of Babylon Armageddon the Millennium the Last Judgement the New Jerusalem and the ubiquitous Angel of the Apocalypse have captured the popular imagination One can hardly open a newspaper or click on a news web site without reading about impending financial or climate change Armageddon while the concept of the Four Horsemen pervades popular music gaming and satire Yet few people know much about either the basic meaning or original context of these concepts or the multiplicity of different ways in which they have been interpreted by visual artists in particular The visual history of this most widely illustrated of all the biblical books deserves greater attention This book fills these gaps in a striking and original way by means of ten concise thematic chapters which explain the origins of these concepts from the book of Revelation in an accessible way These explanations are augmented and developed via a carefully selected sample of the ways in which the concepts have been treated by artists through the centuries The 120 visual examples are drawn from a wide range of time periods and media including the ninth century Trier Apocalypse thirteenth century Anglo Norman Apocalypse Manuscripts such as the Lambeth and Trinity Apocalypses the fourteenth century Angers Apocalypse Tapestry fifteenth century Apocalypse altarpieces by Van Eyck and Memling Durer and Cranach's sixteenth century Apocalypse woodcuts and more recently a range of works by William Blake J M W Turner Max Beckmann as well as film posters and stills cartoons and children's book illustrations The final chapter demonstrates the continuing resonance of all the themes in contemporary religious political and popular thinking while throughout the book a contrast will be drawn between those readers of Revelation who have seen it in terms of earthly revolutions in the here and now and those who have adopted a more spiritual otherworldly approach

The Apocalypse Eugenio Corsini, 2019-05-02 From the Introduction The work that follows is not intended to be a commentary on the Apocalypse There have been many such commentaries reaching back into the earliest times of the Christian era Some especially during the Middle Ages have been quite spectacular in their ingeniousness Our modern era has seen a series of fine commentaries applying all the criteria of a historical philological analysis to this difficult book What I have attempted to do here is to provide a continuous reading of the text trying to show especially through the links which can be made with the Old Testament tradition the coherent and unified argument of the whole work The reader will find that despite my admiration for and debt to the older commentaries I have introduced something quite new to the interpretation of the Apocalypse

The Apocalypse Deception Fred Harding, 2016-10-19 THE EXPLOSIVE EXPOS OF THE BOOK OF REVELATION IN WHICH FOR ALMOST 2000 YEARS CHRISTIANS HAVE BEEN FOOLED BY A MONSTROUS DECEPTION The Apocalypse also known as the Book of Revelation is the last book of the New Testament It begins with these

words The Revelation of Jesus Christ which God gave unto him to show unto his servants things which must shortly come to pass and he sent and signified it by his angel unto his servant John Who bare record of the word of God and of the testimony of Jesus Christ and of all things that he saw Revelation 1 1 KJV Those words are not those of Jesus Christ contrary to the claims of its author Transmitted through an unnamed angel they are part of a monstrous deception that has plagued Christianity ever since they were first penned Furthermore contrary to popular belief the Apocalypse was not written by John the Apostle the son of Zebedee nor is it This book expands upon the scholarly work The Apocalypse written by R H Charles in 1920 the famous scholar widely recognised as the greatest authority of his time in matters of Jewish eschatology and apocrypha His translations of the Book of Enoch and the Testaments of the Twelve Patriarchs especially are still widely used Do not be deceived The Apocalypse was rejected for seven hundred years by the churches of Asia Minor where the book originated and with good reason The book of Revelation unleashes a vision of a gore fest at the End of Time a relentless apocalyptic nightmare badly written repetitive and self contradictory In chapter after chapter it details outlandish horrors the supposed fate that imminently will befall the enemies of God As you will discover if you dare to read this book these are not the words of Jesus Do not be scared of the horrors described in the Apocalypse because the prophecies therein described were made by a false prophet and they are completely untrue Instead one should rely on the prophecies as told by Jesus in the Gospels and the prophets of the Hebrew scriptures such as that of Daniel Ezekiel Zechariah Micah and Isaiah to provide the information that we need understand this great event in human history The Second Coming of Christ and the Kingdom of God Who then wrote the Apocalypse He is the same person that John the Elder confronted in the Roman Baths of Ephesus and called the enemy of the Truth If as I will show that the Book of Revelation was written by this person then clearly he is an enemy of the Truth the Apocalypse cannot be included the Christian Canon of the New Testament Now take heed of a prophecy that Jesus made about a future time after his crucifixion Watch out that you are not deceived For many will come in my name claiming I am he and The time is near Do not follow them Luke 21 8 Do not follow anyone who says the time is near Jesus says Do not be deceived he says Yet this is exactly what the writer of the Apocalypse says Do not seal up the words of the prophecy of this scroll because the time is near Revelation 22 10 As a Christian as long as you adhere to the words of Jesus and the Apostles recorded in the Gospels and the other writings of the New Testament then the council of John the Elder the disciple that Jesus loved and the author of the Fourth Gospel will serve you well Quoting the words of Jesus If you continue in My word you are truly My disciples Then you will know the truth and the truth will set you free John 8 32 May this book set you free but this it will not do unless you are willing look past your prejudices seek the truth and read it You will not regret it if you do [The Revelation Explained](#) F. Territory Comprising the Ancient Roman Empire until the End of Time Together with the Conflicts and Triumphs of the Redeemed until the Final Judgment and their Eternal Reward and Home in the New Heavens and New Earth This book of the Revelation is frequently styled the Apocalypse derived from the word by which it is designated in Greek Jesus Christ having received it from God its author designed it for the future benefit of his church and communicated it to his servants by the hand of the beloved apostle John It is said of the things herein revealed that they must shortly come to pass by which is meant not that they were all to be completely fulfilled within a short time but that the series of special events predicted were soon to begin Thus we speak of a century or eternity as near at hand by which we mean that the events of the period spoken of are about to commence although the end of the series may be very far off
