Apostasy in America Solange Hertz,1998-01-01 *Apostasy Can Lead a Nation to Self-Destruct* Philip Wittig,2017-04-21 *Apostasy Can Lead a Nation to Self Destruct Will America Mend Its Ways and Return to God* is the study of two nations separated in time by several thousand years From their founding both nations and their people for untold generations were consecrated and dedicated to God Who are these nations They are ancient Israel and America Both nations were plagued with historical amnesia the failure to pass on to future generations the story about the protection blessings and prosperity they had received at the hand of a loving and compassionate God As a result apostasy began to gain traction so that the people of each nation began replacing the worship of God with flourishing idolatry What happened to ancient Israel is history God waited patiently for the nation to return to him so that he could destroy its enemies and heal the nation He patiently tolerated its defiance but finally declared his righteous judgment allowing the evil Assyrians to destroy that nation and ancient Israel disappeared from biblical history The status of America remains in limbo as God waits patiently for America to respond positively to his plea to return to him while it defiantly marches to its impending doom Time is running out A chapter is included that is directed to the reader who is doubtful that America will return to God but is also concerned about the eternal destination of his soul should America be destroyed by a cataclysmic event **The Apostasy of America: A Biblical Examination of Our Country's Defect from God** Derrick I. Temple,2021-10-18 *The Apostasy* A. J. Frost,2025-11-17 America stands at a defining moment in history In *The Apostasy America Is Turning Away from God* A J Frost presents a powerful and meticulously researched examination of the spiritual and moral decline spreading across the nation Drawing from Scripture historical records and the rise and fall of world empires the book reveals the unmistakable patterns that emerge when a nation abandons the God who established its moral foundation From ancient Mesopotamia to modern America the author uncovers how spiritual rebellion cultural decay and moral confusion pave the way toward national collapse This book is both a warning and a call to action Frost urges readers to recognize the signs of apostasy shaping modern society and to return to God s commandments before the nation reaches a point of no return It is a stirring challenge to believers to rise awaken spiritually and stand firm in faith as America faces a critical crossroad Eye opening convicting and deeply spiritual this book is essential reading for anyone concerned about the future of America and the role of faith in restoring its strength **Liberalization and Apostasy of America** C. Paul Puckett,2009-06-25 *Liberalization and Apostasy of America* is a book cut to the chase about our nation it s humble beginnings brief history our faith and roots as a great christian nation and how we have over the last two centuries been blessed of God by giving him the praise and thanks for his bountiful blessings and great hertiage he has endowed upon us as a people called by his name II Chronicles 7 14 If my people which are called by my name shall humble themselves and pray and seek my face and turn from their wicked ways then will I hear from heaven and will forgive their sin and will heal their land Our land so needs a healing and a mere man
