Foreword by Barbara Ellen Smith

Appalachian Passage

Helen B. Hiscoe

Appalachian Passage:

Biking Through History on the Great Allegheny Passage Trail Edward K. Muller, 2016 Formerly titled An Uncommon Passage Traveling through History on the Great Allegheny Passage Trail this is a revised and updated version This book reveals the historic importance of the Great Allegheny Passage Trail now a scenic biking and hiking trail that stretches from Pittsburgh PA to Washington D C Through beautiful contemporary photos historic illustrations and a compelling narrative the rich history of the trail comes to life for visitors and everyone to enjoy

Field Excursions to the Appalachian Plateaus and the Valley and Ridge for GSA Connects 2023 Brett T. McLaurin, 2023-10-18 This volume offers guides for GSA Connects 2023 in Pittsburgh Pennsylvania USA that cover a diverse range of geologic time and processes from the Paleozoic to Recent Chapters address Paleozoic and Pleistocene glaciation the interplay of geology and climate in shaping the landscape and aspects of cultural geology including Frank Lloyd Wright's Fallingwater and the setting of Youngstown Ohio

Appalachian Images in Folk and Popular Culture W. K. McNeil, 1995 A compilation of articles and essays from the past 130 years on the character and spirit of Appalachian culture organized according to four major periods in the awareness of Appalachian culture Essays covering Kentucky feuds moonshining handcrafts dietary habits and religion include introductions and editorial commentary This second edition includes an article on the cultural ramifications of Appalachian television programs

Great Allegheny Passage TrailBook, 2014 *Serendipity of the Great Allegheny Passage* Bob Regan, 2016-07-17 The Great Allegheny Passage is the longest rails to trails biking hiking trail east of the Mississippi It travels through five counties from Allegany County MD to Allegheny County PA has a relief of 1 765 feet and takes 149 miles to traverse the 85 mile direct line distance from end to end Spanning two states five counties 400 million years of geologic time and hundreds of years of history it has become one of the premier tourist attraction in southwestern Pennsylvania

Appalachia Inside Out: Conflict and change Robert J. Higgs, Ambrose N. Manning, Jim Wayne Miller, 1995 These two volumes constitute the most comprehensive anthology of writings on Appalachia ever assembled Representing the work of approximately two hundred authors fiction writers poets scholars in disciplines such as history literary criticism and sociology Appalachia Inside Out reveals the fascinating diversity of the region and lays to rest many of the reductive stereotypes long associated with it Intended as a sequel to the widely respected collection Voices of the Hills published twenty years ago these volumes reflect the recent proliferation of imaginative and critical writing about Appalachia a proliferation that suggests nothing less than a renaissance of collective self assessment The selections are organized around a variety of themes including War and Revolution Feuds and Violence Nature and Progress Dialect and Language Exile Return and Sense of Place and Majority and Minority and reveal both the radical changes the region has undergone as well as the persistence of certain defining features The title Appalachia Inside Out refers in part to the fact that Appalachia has never existed in timeless isolation from the rest of country and the world rather it has both absorbed outside influences and

exerted influence of its own The title also indicates the editors effort to look not only at the visible Appalachia but at the forces that underlie its history and culture What emerges in these pages is an Appalachia both familiar and strange a mirror of lived life on the one hand and on the other a haunted realm of unimaginable loss and bewitching possibility

Appalachian Passage Helen B. Hiscoe, 2008-09-01 Appalachian Passage is based on the journal kept by Helen B Hiscoe during the year that she her physician husband and their baby daughter spent in a West Virginia coal mining camp When he reported to Coal Mountain in June 1949 as the new company doctor Bonta Hiscoe was young idealistic and unprepared for a practice in a remote hollow forty five miles from the nearest hospital With no trained help and substandard facilities he was charged with the care of more than four hundred miners and their families Dr Hiscoe found the work both challenging and exhausting and his wife was immediately drafted to assist him Her honest direct descriptions of life in Coal Mountain reveal a people at once impoverished yet fiercely proud remarkably adapted to their circumstances and solidly set in their ways Equally contradictory was the country itself whose wild beauty contrasted sharply with its strip mines treacherous roads and barely adequate dwellings A more personal story also unfolds in Appalachian Passage for Helen Hiscoe played three simultaneous often conflicting roles that of a new mother a traditional demure Coal Mountain wife and a confident and competent medical assistant Job related injuries though ghastly were not so frequent as problems related to a high pregnancy rate families of five to ten children were the norm and a general unfamiliarity with basic hygiene The Hiscoes quickly learned to hold their tongues and attune themselves to local ways Offending people not only undermined doctor patient relations but could bring the Hiscoes into conflict with entire clans The Hiscoes year at Coal Mountain coincided with the final stages of a bitter dispute between the United Mine Workers the mine owners and the federal government Dr Hiscoe as an outsider and an employee of the company was often at odds with local labor leaders Though most of these disputes were resolved the Hiscoes frustrations at union politics lingered Coupled with the news of Helen Hiscoe s second pregnancy these feelings motivated the family to leave Coal Mountain in July 1950 Appalachian Passage is a book to be valued for Hiscoe s revelations about herself and her family and for her insights into the social structure of mining camps and the problems of rural health care

Here Not There Andrew Nelson, 2024-04-02 Design a truly unique vacation with 100 intriguing alternatives to more predictable expensive and overcrowded destinations Let s face it These days many of the world s most beloved places have become expensive and overcrowded making their celebrated allure that much harder to enjoy But fear not Here Not There helps you create a more robust off the beaten path vacation by revealing 100 alternative destinations to the standard travel playbook as well as expert tips on when to visit where to eat what to see and where to stay In this surprising collection of lively travel itineraries you ll find authentic unexpected and rewarding destinations of a lifetime to add to your bucket list including A trip to Quito Ecuador instead of Lima Peru for iconic architecture and top notch South American cuisine A road trip along West Virginia s byways instead of New England s highways for brilliant autumn

colors A romantic rendezvous to Lecce Italy instead of mega touristed Florence for art wine and artifacts A hiking excursion in Chile s Lake District instead of England s for an unexpected natural wonder A theater infused visit to Cleveland Ohio where the performances match the levels of New York City s Broadway A tour of Portugal s Azores rather than the Hawaiian islands for flora fauna and underwater adventures A water filled excursion through New York s Thousand Islands instead of a cruise down Germany s Rhine River A trip to Detroit to find Art Deco skyscrapers and even a beach in Motown that rival those of Miami Both surprising and inspiring Here Not There offers readers a chance to think beyond our typical borders and discover undreamed of destinations
