

Ten Values Common to Appalachians

- 5. Personalism** - relates well to others; go to great lengths to keep from offending others; getting along is more important than letting one's feelings be known; think in terms of persons rather than degrees or professional reputations
- 6. Love of Place** - never forget "back home" and go there as often as possible; revitalizing, especially if a migrant; sometimes stay in places where there is no hope of maintaining decent lives

Appalachian Values Reconsidered (2016) Loyal Jones, 2016 **Appalachian Values** Jim Wayne Miller, **An Examination of Appalachian Values, American Values, and Higher Education in the Appalachian Region** Sharon Burmeister Lord, 1976 **Cross-Cultural Practice, Second Edition** Karen Harper-Dorton, Jim Lantz, 2007-04

Cultural awareness in the helping professions is crucial to providing the best possible care. In this expanded new edition of *Cross Cultural Practice* the authors uniquely present factors common to diverse ethnic and cultural populations that are useful in building cross cultural competence. Building on the existential concepts of Victor Frankl the text provides a framework for helping families and individuals discover meaning and meaning opportunities in daily living. The book is organized into chapters dedicated to specific population profiles. New chapters give an overview of key concepts used throughout the book and summarize the authors theoretical approach toward cross cultural practice.

Handbook of Research on Leadership and Advocacy for Children and Families in Rural Poverty Greene, H. Carol, Zugelder, Bryan S., Manner, Jane C., 2020-03-27

Rural poverty encompasses a distinctive deprivation in quality of life related to a lack of educational support and resources as well as unique issues related to geographical cultural community and social isolation. While there have been many studies and accommodations made for the impoverished in urban environments those impoverished in rural settings have been largely overlooked and passed over by current policy. The *Handbook of Research on Leadership and Advocacy for Children and Families in Rural Poverty* is an essential scholarly publication that creates awareness and promotes action for the advocacy of children and families in rural poverty and recommends interdisciplinary approaches to support the cognitive social and emotional needs of children and families in poverty. Featuring a wide range of topics such as mental health foster care and public policy this book is ideal for academicians counselors social workers mental health professionals early childhood specialists school psychologists administrators policymakers researchers and students.

Multicultural Literature and Response Lynn Atkinson Smolen, Ruth A. Oswald Ph.D., 2010-12-22

This compelling book emphasizes the critical role of quality multicultural literature and reader response in today's schools and libraries. All students need access to books in which they can see themselves not just their physical appearance but their culture and language as well. *Multicultural Literature and Response: Affirming Diverse Voices* was written to help teachers and librarians find and use the best multicultural books in the service of reading comprehension and more. Underscoring the necessity of selecting quality literature that authentically sensitively and accurately portrays different groups the book defines multicultural literature and provides a strong argument for its importance in schools and libraries. Expert contributors guide users to multicultural authors and illustrators who portray U.S. ethnic and cultural groups and they suggest ways to integrate this literature with

writing fluency development storytelling and audiovisuals Extensive lists of books and websites that feature multicultural literature as well as of authors illustrators and publishers of multicultural literature make it easy to include such works in programs across the curriculum

Writing Appalachia Katherine Ledford, Theresa Lloyd, Rebecca Stephens, 2020-03-17 Despite the stereotypes and misconceptions surrounding Appalachia the region has nurtured and inspired some of the nation's finest writers Featuring dozens of authors born into or adopted by the region over the past two centuries Writing Appalachia showcases for the first time the nuances and contradictions that place Appalachia at the heart of American history This comprehensive anthology covers an exceedingly diverse range of subjects genres and time periods beginning with early Native American oral traditions and concluding with twenty first century writers such as Wendell Berry bell hooks Silas House Barbara Kingsolver and Frank X Walker Slave narratives local color writing folklore work songs modernist prose each piece explores unique Appalachian struggles questions and values The collection also celebrates the significant contributions of women people of color and members of the LGBTQ community to the region's history and culture Alongside Southern and Central Appalachian voices the anthology features northern authors and selections that reflect the urban characteristics of the region As one text gives way to the next a more complete picture of Appalachia emerges a landscape of contrasting visions and possibilities

A Study of Appalachian Cultural Values as Evidenced in the Political and Social Attitudes of Rural West Virginians Janet Boggess Welch,1985 *Killings* William Lynwood Montell,2014-10-17

The State Line Country of this book is a rugged area of small farms on the Kentucky Tennessee border Historically the area has had a homicide rate more than ten times the national average In this gripping and penetrating study of violence and death in the State Line Country Lynwood Montell examines the local historical and social conditions as well as the prevailing attitudes and values that gave rise and support to rowdy behavior and homicidal acts from the Civil War to the 1930s The area fostered he thinks a culture of violence Drawing from vivid oral accounts which he recorded from present day residents Montell describes more than fifty killings that took place in the area locating them against a background of farming moonshining and sawmilling activities common in that country In addition to reconstructing the homicides he analyzes their key features including the circumstances under which they took place the relationships of the persons involved the presence of precipitating factors such as deadly weapons and alcohol in the culture and attitudes toward law enforcement officers and the courts This close examination of homicide in the State Line Country which views the tradition from regional and national perspectives adds a significant dimension to the study of homicide in the South

Appalachian Cultural Competency Susan Emley Keefe,2005 Health and human service practitioners who work in Appalachia know that the typical textbook methods for dealing with clients often have little relevance in the context of Appalachian culture Despite confronting behavior and values different from those of mainstream America these professionals may be instructed to follow organizational mandates that are ineffective in mountain communities subsequently drawing criticism from their clients for practices that are deemed insensitive or controversial In Appalachian Cultural Competency Susan E Keefe has assembled fifteen essays by a multidisciplinary set of scholars and professionals many nationally renowned for their work in the field of Appalachian studies Together these authors argue for the development of a cultural model of practice based on respect for local knowledge the value of community diversity and collaboration between professionals and local communities groups and individuals The essays address issues of both practical and theoretical interest from understanding rural mountain speech to tailoring mental health therapies for Appalachian clients Other topics include employee assistance programs for Appalachian working class women ways of promoting wellness among the Eastern Cherokees and understanding Appalachian death

practices Keefe advocates an approach to delivering health and social services that both acknowledges and responds to regional differences without casting judgments or creating damaging stereotypes and hierarchies Often she observes the reflexive approach she advocates runs counter to formal professional training that is more suited to urban and non Appalachian contexts Health care professionals mental health therapists social workers ministers and others in social services will benefit from the specific cultural knowledge offered by contributors illustrated by case studies in a myriad of fields and situations Grounded in real tested strategies and illustrated clearly through the authors experiences Appalachian Cultural Competency is an invaluable sourcebook stressing the importance of cultural understanding between professionals and the Appalachian people they serve *The Southern Lumberman* ,1928 Electrical World ,1930 **Bulletin** University of Tennessee (Knoxville campus).
