Appetite For Poetry:

An Appetite for Poetry Frank Kermode, 2013-05-23 Frank Kermode is one of the pre eminent practitioners of the art of criticism in the English speaking world It has been his distinction to make a virtue as all the best critics have done of the necessarily occasional nature of his profession That virtue is evident on every page of this collection of essays In one group of essays he asks the reader to share his pleasure in a number of major writers Milton T S Eliot Wallace Stevens In another he discusses ideas about problems in biblical criticism and their implications for the study of narrative in particular and the interpretation of secular literary texts in general In them he gives clear accounts of questions relating to interpretation and the debate about canons A key essay looks at the career of William Empson a career lived between literature and criticism between the pleasure of the text and the delight in conceptual issues which is characteristic of so much of the contemporary taste for theory It is Empson s career perhaps which is the foundation for the polemical prologue to the book where Kermode challenges those who doubt the possibility and the necessity of the cross over between literature and criticism and who argue that criticism is mere appreciation mere connoisseurship that theory has displaced criticism and has left literature in the dust that theory is the avant garde of critical thought This piece defines the author s position in the debate about literature and value

Impromptu E. V. Frapiere, 2024-06-04 He loves me despite my flaws and encourages my creativity like a poet or an artist who draws He loves me he loves me not like the perfect rose or holy grail And thus I exhale In a collection of true stories and poems E V Frapiere offers an exhilarating experience that leads others on a thrilling journey of self discovery Divided into cheeky yet inspiring sections her trope of poems and musings serves to uplift humor and gratify while touching on diverse topics and experiences including a passionate kiss that feasts and lingers in memory for days tortured souls that all have one thing in common the misplaced love that one finds again the choices that are like feelings the inner child within whose tribunal of merit whispers like a warm breeze in the wind and much more *Impromptu* is an inspiring collection of poems and musings that share lyrical perspectives about life love and the wonder that surrounds all of us

Appetite Jean-Mark Sens, 2004 The collection *Appetite* brings many kinds of appetites under its cover Full of hungers cravings urges nimble observations and taste for discoveries *Appetite* reflects a sense of yearning satisfied or unsatisfied for different nourishments that are both earthly and spiritual Some poems are oriented toward the organic world of foods cooked or still raw as foods to become some toward specific objects from our daily life such as a door a pair of tweezers a pillow while some others mark the encounter with an artwork Calder's mobiles Cornell's boxes or Cezanne's card players As different as these poems may be each encapsulates a small but durable moment of discovery An inquisitive movement of desire inhabits the variety of these poems that the poet's language crystallizes into a lingering and memorable experience The sensual feast is also linguistic feast Like a good cook with carefully selected ingredients the poet with discriminate taste makes the language concentrate its effects and invites the movement of the tongue to articulate each discovery with a subtle liaison of the concrete with the abstract the sensual with the metaphysical the appetite with its renewed satisfaction Revealing the uncanny secret life of things these poems confer an aura of magic to objects that would otherwise be deemed ordinary With a rare mix of humor and serenity *Appetite* reveals a world that has not yet lost its enchantment

Earth's Appetite Margaret Hasse, 2013 These poems reflect an astute awareness of associations across time A beetle crossing a tennis court brings to mind an infant crawling across the floor one who's now asking for the keys to the family car A jar of golden honey draws readers into the murmur of bees and the scent of basswood flowers In *Earth's Appetite* Hasse offers a lyrical paean to re-roofing a house and a humorous description of how a dog and its unemployed owner spend a day Her extended ode to feet twin girls dressed alike

possesses a Neruda like simplicity and charm The book shows Hasse s longstanding mastery of striking imagery Rung by rung down the ladder of my backbone she writes and earth like a love tilts toward and away The book as a whole reminds us of the quirky ways that lives unfold strengthening or breaking connections offering unexpected turns and recurrent familiar themes

Scrimmage of Appetite Jon Davis,1995 If Walt Whitman had come back to face America at the end of the 20th Century these are the poems he might have written Whether adapting the long Whitmanian line reinventing the prose poem or alternating lyric and prose meditations Jon Davis has taken the measure of these times and found a world where virtue has been devoured by appetite where the private and familial have been invaded by the tawdry the commercial and the vicious as if our lives were hotwired to our television sets our minds crackling with the loose electricity of an experiment gone wrong In poems that are ambitious and political without being sententious or partisan Davis turns to the power of words for a way to reconcile the irreconcilable praising language as a rich entangled and inexhaustible source of solace and meaning With *Scrimmage of Appetite* Jon davis has fulfilled Wallace Stevens s image of a poet merciless To accomplish the truth in his intelligence
