J. Lamberti,2021-08-25 T B J Lamberti rees are unmistakably crucial to the physical success and well being of our planet These giants of the plant kingdom allow and invite people to pass under their branches to share their essence and energy and wisdom in a completely selfless way In my story an apple tree drops its apples beneath its branches and they are TAKEN by the people who pass under to taste the sweet The tree is not ready to surrender its self worth to children snatching up her golden delicious apples without learning something about the human tree of children The tree begins to question the general consequences between the adults and the children The tree through discovery learns her true value The tree represents Nature and her apples are her precious gifts The allegorical work shows that humankind is composed of many qualities like the many apples on the tree Some apples are crisp some are sweeter than others and some are in conical shape The children who pass under the trees branches possess different traits passed on by their parents Among the different traits we should achieve in our daily lives include joy truthfulness appreciation of internal and external beauty peace harmony etc The tree discovers its self worth when he understands The Apple Doesn t Fall Far From the Tree in nature and humankind Basically kids are like their parents a chip off the old block Nature apple tree and humankind become one in time and space     My Friend the Apple Tree Samara Klein,2021-08     **Rav Avigdor Miller and the Apple Seed** Nachum Shapiro,2015     **Growing God's Fruit** G. H. Servant,2023-09-05 Growing God s Fruit teaches children about the growing cycle of apples from seed to harvest and relates the apple growing cycle to the growing cycles of the Fruit of the Spirit Children will understand that their words thoughts and actions are the seeds they plant and if they plant seeds of love they will harvest love If they plant seeds of anger they will grow anger If they plant seeds of kindness they will receive kindness in return Children will be inspired to think about what they are planting and what they are harvesting in return
