Spanish Colonial Women and the Law: Complaints, Lawsuits, and Criminal Behavior Linda Tigges, 2017-03-15
Women in early 18th century Spanish Colonial New Mexico had rights and privileges under Spanish law that were not enjoyed by other women in North America until the late 19th and early 20th century Women were considered separate entities under the law and valuable members of Spanish society As such they could own property inherit in their own name and act as court witnesses In particular they could make accusations and denunciations to the local alcalde mayor and governor which they frequently did The documents in this book show that Spanish Colonial women were aware of their rights and took advantage of them to assert themselves in the struggling communities of the New Mexican frontier In the documents the women are shown making complaints of theft physical and verbal abuse by their husbands or other women and of non payment of dowries or other inheritance Other documents are included showing men accusing women of misrepresenting property ownership and dowry payments and of adultery and slander Spain was a legalistic society and both women and men used the courts to settle even minor matters Because the court proceedings were written down by a scribe and stored in the archives many documents still exist From these thirty one have been selected allowing us to hear the words of some outspoken Spanish women and the sometimes angry men speaking their minds in court about their spouses lovers of their spouses children and relatives as well as their land livestock and expected inheritance The documents transcribed and translated in this book are a small number of the existing documents held in Santa Fe at the Spanish Archives of New Mexico at the Bancroft Library at University of California the Archivo General de la Nacion in Mexico City and elsewhere A synopsis editor s notes maps and biographical notes are provided The material can be considered a companion in part to Ralph Emerson Twitchell s 1914 two volumes *The Spanish Archives of New Mexico* available in new editions from Sunstone Press This is an important work from Linda Tigges and Richard Salazar dealing with early eighteenth century women and the law However their court cases were decided these Spanish Colonial women were successful in the legacy they left for future generations If you are a twelfth generation New Mexican or a newcomer you will find this work priceless Henrietta Martinez Christmas *The Fortunate Isles* Mary Stuart Boyd, 1911 *Blood on the Boulders* Diego de Vargas, John L. Kessell, Rick Hendricks, 1998-06 Through The Journals of don Diego de Vargas translated from official and private correspondence we are drawn back through conflict and compromise into New Mexico s formative era in this boxed set *My First Two Thousand Years* George Sylvester Viereck, Paul Eldridge, 1928 **The Petexbatun Regional Archaeological Project** Arthur Andrew Demarest, 2006 Then based on the project s findings Demarest presents interpretive reconstructions of the linked histories of the Pasion River kingdoms and correlates these interpretations with the variable evidence and culture histories of other regions of the Classic Maya lowlands He points out that only through linking such accurate regional culture histories can we begin to understand the eighth through tenth century changes in Classic Maya civilization The volume describes how the

Petexbatun project addressed this challenge in its research design structure and large multicentered zone of study Building on the previous twenty years of Harvard research in adjacent zones the Vanderbilt projects succeeded in reconstructing events and processes throughout the Pasion River Valley the largest single inland trade route of the ancient Maya world
