Any Children:

Not a Child by Any Means Tim Oluminu, 2012-08 ABOUT THE BOOK The aim of this book is to share our experience and also encourage all couples who are still faithfully waiting on God for the gift of the fruit of the womb by encouraging them to continue to rely completely on God who is able to give joy and bring them children at a time when His name alone will be glorified The author expresses the uneasiness and seriousness of childlessness especially when you have given your life and your all to and have accepted Jesus as your Lord and Savior There is no way there would not be some kind of decline from faith to doubt and from doubt to giving up completely The encouragement that this book gives is that God is able and abundantly able to do exceedingly above our imagination and thinking This is the crux of the matter especially to those who are believers in Christ Faith in Jesus Christ is the ultimate as touching our expectation and contemplation In Genesis Chapter One God created the earth and all the things thereof including human beings and He was delighted in the work of His hands Consequently He pronounced the blessing of fruitfulness However despite this God people like Abraham and Sarah Hannah and Elizabeth at one time or the other experiences delay in having children However history has shown that God allowed their delays for different reasons We knew for example that in the Book of 1st Samuel God allowed Hannah to pass through a period of delay before giving her baby Samuel In fact He allowed her to be subjected to ridicule by her mate Peninnah But what we often fail to understand was the fact that while Hannah was passing through her childless period God was at the same time giving the family of Prophet Eli time to amend their ways and repent and at the same time He was also watching to see whether Hannah will continue to be faithful in her coming for the yearly pilgrim to Shiloh to offer sacrifice despite her unanswered prayers and humiliations from her rival He was observing whether because she had not seen any result from her previous comings to Shiloh she will be discouraged and refuse to attend In addition to the above may be in God s judgment the Israelites were not yet ready to receive another prophet that would change the course of their nation But when the time for all these came and the cup of the family of Eli was full He sent Samuel to Hannah One can therefore infer that Hannah s period of delay serves as a way of filling a vacuum that existed as a result of God giving room for Eli and his sons to repent from their sinful activities Also in a reverse of fortune when Samuel was eventually released to Hannah and he became the prophet at Shiloh in place of Eli and his children part of the people who might have been coming to him at Shiloh with their sacrifices and for consultations were Elikanah Peninnah and her children Maybe this door of opportunity might not have open for Hannah and her son if Samuel had been born earlier In the New Testaments God allowed Elizabeth to experience delay and shame before He gave her John the Baptist God must have looked at the continued faithful service of Zachariah Elizabeth s husband as priests despite the fact that his wife was not only barren but she had one with trumpet The fact that the angel of God met Zachariah while he was performing his priestly duty is an indication that he did not allow his personal family challenge to hinder his services to God The fact that the angel of God linked the birth of John the Baptist with the

coming of Jesus Christ see Luke 1 17 can be taken as a pointer to the fact that God allowed the delay of childbearing in the life of Zachariah and Elizabeth because He knew that the time was not yet ripe for the birth and manifestation of Jesus Christ on earth But at The American Journal of Obstetrics and Diseases of Women and Children ,1917 **The Child Labor Bulletin** National Child Labor Committee (U.S.),1915 *Every Child Matters* Julie Fraser,2007 Involve all pupils and make youth sport more inclusive using *Every Child Matters* guidance This book will clarify and provide guidance on the P scale assessment of pupils in physical education *Every Child Matters* provides you the teacher with criteria for every physical education activity and P scale while still relating these criteria to the four strands of learning It takes the National Curriculum 2000 and QCA Schemes of Work 2000 to another level Give young people ownership of their achievements It is a proven way to improve their level of ability in physical education Using this resource as a vital reference tool you can improve the accuracy of your judgements and can measure progress in physical education You can ensure that every child is involved developing and enjoying PE Provides much needed support materials for the National CPD modules on assessment Gives support for effective observation of pupils progress in their knowledge and understanding as well as for their physical skills Puts forward an assessment framework for pupils aged 5 16 years who are unable to attain age related expected levels Takes the National Curriculum 2000 and QCA Schemes of Work 2000 documents a stage further by developing criteria for each activity and P scale while relating it to the 4 strands of learning **Publications of the Children's Bureau** United States.
