## **Anybody Love:**

Have You Ever Loved Someone Who Didn't Love You Back? Beverly D. Thomas,2014-03 Why don t you love me 7 years of tribulation The murder of Jesus Christ Take another look at God Tear down them walls I don t want you anymore The laughing mocking God Chance after Chance *The Storms Of Love* Barbara Cartland,2016-10-10 Handsome wealthy and always hotly pursued by London s Society beauties the Duke of Wydeminster is a gentleman very much in demand yet his affaires de coeur invariably leave him dissatisfied and feeling trapped especially his current one with the beautiful Fenella Newbury who is married to a much older husband What he needs in his life is not more love affairs but a new challenge and very much sooner than he could have expected one presents itself First in the baffling form of a strange young woman called Aldora who accosts him in unlikely circumstances and insists that her mother intends to force him to marry her while also avowing her deep hatred of the Duke for reasons that he cannot fathom Next comes the revelation that Aldora s mother the ambitious Marchioness of Berkhampton has suggested to Queen Victoria that the Duke should become the new Viceroy of India a position hardly less than that of a King But there is a catch Aldora indeed spoke the truth In order to be considered for the supreme position of Viceroy he must marry this young woman who despises and detests him This Thing Called Love Angela R. Camon,2014-02 One of the most influential people in a girl s life is her father Imagine growing up as a little child with an empty void in your heart longing for the love and acceptance of your father It is unfortunate but many daughters young and old alike can identify with the pain of not having a father present in their lives The absence of fathers in the lives of their daughters has become an epidemic that has plagued our society and affects many families from all walks of life Daughters that grow up with a healthy father and daughter bond are often less likely to become a teenage mother experience depression experiment with drugs and alcohol develop body image problems and engage in criminal activity Whereas daughters who do have not father in their lives can experience a plethora of problems This Thing Called Love is about a young girl who shares her story about her life and the various hardships that she experienced as a result of living with a father who is physically present but emotionally absent Bewildered by his rude comments and his continuous expressions of his disapproval of her she makes conscious efforts to shine in his eyes In the pursuit of trying to achieve her father s love she learns a great deal about God s love As her relationship with God matures her newfound faith ignites her determination to win her father over not just for her personal gain but for the benefit of the Kingdom of God **Ways & Power Of Love** Pitirim A. Sorokin,2015-10-22 The Ways and Power of Love was originally published in 1954 when Pitirim Sorokin was in the twilight of his career and leading the Harvard Research Center in Creative Altruism His elaborate scientific analysis of love with regard to its higher and lower forms its causes and effects its human and cosmic significance and its core features constitutes the first study on this topic in world literature to date Sorokin was the one absolutely essential twentieth century pioneer in the study of love at the interface of science and religion Bringing The Ways and Power

of Love back into print allows a new generation of readers to appreciate Sorokin's genius and to move forward with his endeavor at a time when civilization itself continues to be threatened by a marked inability to live up to the ideal of love for all humankind. It is certainly right to hope with Sorokin that progress in knowledge about love can move humanity forward to a better future. Turning the sciences toward the study of love is no easy task but it can and must be done.

**The Mustard Seed** Osho, 2010-02-01 This timely book explores the wisdom of the Gnostic Jesus who challenges our preconceptions about the world and ourselves. Based on the Gospel of Thomas, the book recounts the missing years in Jesus' life and his time in Egypt and India, learning from Egyptian secret societies, then Buddhist schools, then Hindu Vedanta. Each of Jesus' original sayings is the seed for a chapter of the book; each examines one aspect of life: birth, death, love, fear, anger, and more, counterpointed by Osho's penetrating comments and responses to questions from his audience.
