Apples of Gold Betty Huizenga,2012-03-01 Here s what women are saying about Apples of Gold The lessons were awesome God knew I needed to be there My heart overflows with joy K B Michigan In your kitchen I learned about seasoning food In your living room I reacquainted myself with the seasoning work of the Holy Spirit S O Michigan The program gives value to women who are homemakers and wives The Bible study and cooking lessons improved my perspective on staying home with children The program is a good eye opener and refresher to what is really important God husband children family and friends D S Minnesota So many positive things have happened in my life since and because of my Apples of Gold summer Much confidence was gained that went far beyond the kitchen This was truly a life changing experience L D Michigan God knew I needed Apples of Gold It is probably inconceivable to you to know how you and the mentors have touched the lives of Apples of Gold moms L C Michigan I loved being with older women finding out how much we have in common and building relationships with a different generation J R Michigan Apples of Gold makes you focus on what is really important in your life We discussed subjects I was not familiar with like the real meaning of submission and purity It certainly has changed the way I feel about them D H Minnesota Apples of Gold takes the warm atmosphere of the home and teaches how to extend it beyond the immediate family Gail Hover Ledbetter Author Family Fragrance **Apples of Gold** Beatley Clara Bancroft,1901 Apples of Gold Thomas Brooks,2023-02-12 Reprint of the original The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost *Apples of Gold in Pictures of Silver* Yuval Levin,Thomas W. kisses and promises and decisions were made to last forever two girls received a summons to appear before the governor So begins the story of two sisters in a long ago land who are presented with a precious gift The governor wants the young women to protect and care for this gift until the return of his son the prince of the land Upon the prince s return one sister will be chosen to serve the prince according to how the gift was cared for and both sisters will be surprised by what the prince wants to offer the one who best cherishes the gift The young women have dreams of being happy and loved But how they see the gift and themselves will determine how that gift is treasured and what will remain of their dreams Apples of Gold is a powerful parable about the beauty of sexual purity and the prize that awaits those who are committed to the keeping of such a gift Gifts of Gold Betty Huizenga,2013-05-21 Betty Huizenga author and founder of Apples of Gold says Mentoring is really nurturing sharing ideas from life lessons and passing on wisdom ideas and truth from God from one generation to the next It is a forgotten art one that we have neglected and in the process we have lost the joy and sheer fun of days gone by At the heart of Apples of Gold is the desire to touch the lives of women young and old by reviving the art of older women nurturing younger women In Gifts of Gold Betty encourages and instructs the wonderful golden women who have answered God s call to be mentors Wondering if you were meant to mentor Answer these questions for yourself Can you be a friend Can you listen Can you share what Christ has done in your life Do you care about the needs of other women Do you have a tender heart toward God and others THEN YOU CAN BE A NURTURING WOMAN Nurturing others is much like passing on a priceless heirloom Your life and the lessons God has taught you were meant to be shared preserved and passed on from generation to generation You are a precious gift of gold God wants to unwrap and show to others You can be a mentor Gifts of Gold can help you get started *An Apple a Day* Jo Petty,1999 *Apples of Gold* Denise Jeter,2009-10 I grew up right outside Houston Texas never knowing who the Lord Jesus was or the extent of what he could do until the ripe old age of thirty three when I meet him in a prayer of desperation From that point on he has taken me on a journey of spiritual warfare and discovery of truth that I would not have believed were possible had it not happened to me I had looked for fulfillment in the vices of the world and came up empty but I thank God that when I ran out of options and admitted defeat there was someone there to catch me It was none other than the Lord Jesus Christ himself who had been waiting to see that glorious white flag of surrender I take no credit whatsoever for the birth or writing of this book It was birthed in prayer by the Lord himself and he has been beside me writing the words and selecting the scriptures ever since He explained this to me in one verse of scripture which I take great pleasure in sharing with you now Second Timothy 1 9 Who hath saved us and called us with an holy calling not according to our works but according to his own purpose and grace which was given us in Christ Jesus before the world began Proverbs 25 11 A word fitly spoken is like apples of gold in pictures of silver People need nourishment We re often told But more than that They need Apples of Gold A word fitly spoken Can set a soul free From all of the lying Done by our enemy Thus the title Of my little book Which I pray brings you blessings When in it you look
