**From [Learning to Play](#)**

All children deserve to be able to play with other children. The only place for a child to play is the play area. Children who are not allowed to play, have additional needs or disabilities, may experience the same difficulties as children who do not have additional needs. It is important to ensure that all children have the opportunity to play with other children. This can be done by making sure that all children have the opportunity to play with other children. The only way to do this is to make sure that all children have the opportunity to play with other children.
