**I, Adam** John M. Cimbala,2017-07-11 This novel is based on the Bible's account of Adam the first man who ever lived It is written as an autobiography as if written by Adam himself Adam looks back at his life from his creation to old age including his relationship with The Creator God naming the animals the creation of Eve his time with Eve in the Garden of Eden their temptation and fall sin and expulsion from Eden and then life after Eden Cain and Abel generations the increase of wickedness until shortly before his death This book can be considered Biblical fiction with some embellishment of course but without straying from or changing the account recorded in Genesis It is a love story between Adam and Eve whom Adam says is bone of my bones and flesh of my flesh It is also an educational tool for understanding our first parents their interaction with The Creator marriage and the promise of the Special Seed who is Jesus Christ the Last Adam Throughout the book are prayers of Adam as he reflects on his life his sin his guilt and his longing for the Special Seed who will accomplish what Adam failed to accomplish on earth The author writes from a young earth creationist viewpoint which includes acknowledgment of a literal Adam and Eve who were the first man and woman and from whom all human beings have descended The author Dr John M Cimbala is Professor of Mechanical Engineering at Penn State University He has co-authored several textbooks including a popular Fluid Mechanics textbook that is used around the world and has been translated into several languages This little book about Adam however is his first novel [Searching for Adam](#)

Terry Mortenson,2016-10-26 You can believe with great intellectual integrity what the Bible says about Adam and the origin and history of man Though there are a growing number of books out on Adam this one is unique with its multi-author combination of biblical historical theological scientific archaeological and ethical arguments in support of believing in a literal Adam and the Fall A growing number of professing evangelical leaders and scholars are doubting or denying a literal Adam and a literal Fall which thereby undermines the gospel of Jesus Christ the Last Adam who came to undo the damaging consequences of Adam's sin and restore us to a right relationship with our Creator This book is increase your confidence in the truth of Genesis 1:11 and the gospel Enhance your understanding pertaining to the biblical evidence for taking Genesis as literal history Discover the scientific evidence from genetics fossils and human anatomy for the Bible's teaching about Adam Understand the moral spiritual and gospel reasons why belief in a literal Adam and Fall are essential for Christian orthodoxy

**The Word** Isaac Mozeson,2000 This landmark dictionary proves that English words can be traced back to the universal original language Biblical Hebrew Genesis II supports a Mother Tongue thesis and the Bible also claims that Adam named the animals This may seem difficult to accept but then why do the translations of the following animals names Skunk Gopher Giraffe and Horse actually have corresponding meanings in Biblical Hebrew such as Stinker Digger Neck and Plower The book features overwhelming data suggesting that the roots of all human words are universal and that words have related synonyms and antonyms that must have been intelligently designed perhaps by the designer of life himself The current hypothesis that language evolved from grunting ape men may seem like the flat earth theory after reading this book The 22 000 English Hebrew links provide surprising evidence and open new worlds of understanding once we consider that all of these similar words could not be coincidences

**Northfield Echoes** Delavan Leonard Pierson,1897

**The Revealing Word: A Dictionary of Metaphysical Terms** Charles Fillmore,2019-12-18 The Revealing Word offers to you the metaphysical meanings and uses of words and phrases that frequently appear in New Thought publications and many that appear in the Bible In addition to words that have religious significance hundreds of words that are in everyday use appear in this book Thus the reader is given inner meanings that he or she can apply to daily living All things in life are expressed in words Equipped with the inner meanings of words a person can control all the issues of his or her life from the insignificant to the great

"Hey 'Adam,' 'Where You At'?" Karen D. Reid,2017-03-31 A GODLY MANS GUIDE TO COVERING THE WOMAN OF GOD FROM A W O W W W WOMANS PERSPECTIVE In view of what has been established in my Trilogy for both males and females leaders and laymen this journey continues as a spin off from God Why Didnt He Cover Me As I have been criticized about the wording of the current book title I need you to roll with me on this one As this book has become a personal conversation with my race of people reader discretion is advised If it had been intended for Esaus descendents I would have asked Hey Adam Where Art Thou But since God has expanded my ability to communicate an exclusive message this book has been deliberately downloaded for the Tribe of Judah In translating the artistic nature of Heaven onto the earth I need you to comprehend the words that are coming out of the Fathers mouth Disclaimer Just as this intriguing component continues to offer a unique smorgasbord of legitimate inquiries that may not fit the typical readers practical perspective the project is intentionally informal with jargon

laden language that may not be acceptable by church folks and academic audiences So if you are the traditional super spiritual Christian thats speaking in super sonic tongues this book will likely press your religious buttons Even as the progressive theology may go beyond the capacity of your traditional beliefs your personal opinions are no indication that God has stopped speaking see Mt 4 4 So in viewing the world with an inquisitive eye that may not fit the general patterns I trust that you will notice that this book treads on prophetic territory Now that I have pre warned you of the inevitable I invite you to explore a very rare assessment of the first and last Adam Especially rewarding for the reader who values the fact that Adam was the figure of HIM who was to come my question is Could it possibly be that Adam was engaged in covering his bride and not preoccupied with hiding his sin In my opinion because Eve was the weaker vessel Adam took the fall and willfully gave up his immortality in order to become her covering Why So that there would be no record on Earth suggesting that the world was in sin because of her transgression For as by one mans disobedience many were made sinners Rom 5 19a Why Adam would demonstrate perfect love and give up immortality for the love of a woman is really the focus of my investigation Why Jesus would give up immortality and leave the Father to die on an old rugged cross is a large part of the conclusion Evidently when God looks at us He sees Jesus but when He looked at Eve He saw Adam All over the world Jesus was the Lamb but Adam you da man because you took a stand Brace yourself as this provocative revelation may likely augment your investment In my southern colloquial and best Ebonics allow me to say it like Im feeling it Hey Adam where you at Im gonna need you to take a stand and be da man Come on yall lets get back to Eden
