Brother Carl A Filmscript:

Brother Carl Susan Sontag, 2015-04-07 According to Edgardo Cozarinsky the Argentine film critic There is something recognizably Scandinavian about Brother Carl an easy puzzling exchanges between its characters with brooding ever present nature surrounding them The interplay of formal speech and plain silence recalls Dreyer's Gertrud rather than Bergman's The Silence and Persona On closer inspection though it is unlike any other Scandinavian film The miracles unlike that in Dreyer's Ordet are not real ones But they are the only kind these characters can afford Brother Carl is an outsider's commentary with very personal variations on those motifs that filmgoers associate with the Scandinavian film tradition And much of its elusive fascination depends on this flexible distance between material that may seem familiar and the fresh look that establishes its own perspective Brother Carl was shot in and around Stockholm in 1970 and had its world premiere at the Cannes Film Festival in 1971 It was shown at the San Francisco Chicago and London film festivals and had its U S theatrical premiere in 1972 Note This eBook edition does not contain images *Brother Carl* Susan Sontag, 1974 Susan Sontag's Tangential Classics, 2025-02-08 Susan Sontag 1933-2004 once declared My idea of a writer someone interested in everything Being interested in everything had come naturally to me This statement was made thirty years after the publication of *Against Interpretation* in 1966 towards the end of a prolific career as an essayist diarist novelist filmmaker and activist The Greco Roman classics play an intriguing part in this narrative of insatiable thirst for knowledge Susan Sontag's *Tangential Classics* sets out to focus on this juncture in her work Instead of offering an account of antiquity in Sontag or of Sontag on antiquity the collected chapters are specifically concerned with her as a case of a thinker in whom the classical tradition does not come into exclusive focus but emerges tangentially in often disparate and exiguous traces connections and references within a polymathic awareness This volume examines Sontag's work and life to probe new strategies of plotting antiquity when its presence in modernity is alluring yet barely there and when the connective thread of influence seems to exist at breaking point Susan Sontag's *Tangential Classics* directs our attention to a twentieth century thinker who invites a markedly different perception of antiquity and its influence in her thought at once captivating and light provocative and uncertain Catalogue of the Book Library of the British Film Institute, London, England: Title catalogue, G-Z. Howard Poteet, 1975 *Susan Sontag* Jerome Boyd Maunsell, 2014-04-15 My idea of a writer someone interested in everything This declaration by Susan Sontag 1933-2004 seemed to reflect her own life as an essayist diarist filmmaker playwright and novelist writing on a startling range of topics from literature dance film and painting to cancer AIDS and the ethics of war reportage For many critics her work captures the twentieth century world better than almost any other In this new biography Jerome Boyd Maunsell draws on Sontag's extensive diaries to offer a far more intimate portrait than ever before of her struggles in love marriage motherhood and writing Exploring the astonishing

scope of Sontag's life and work Maunsell traces her growth during her intellectual career at Chicago Oxford and the Sorbonne He discusses her short lived marriage to Philip Rieff at seventeen the birth of her son and her subsequent relationships with women As Maunsell follows the extraordinary arc of her life he delves into her literary life in New York in the 1960s travels with her to Hanoi Cuba and China and surveys her work in Sweden and France in the 1970s where she turned to filmmaking Maunsell concludes by examining her miraculous rebirth as a novelist and critic in the 1980s and 90s after her diagnosis with cancer in the mid 1970s Providing a full picture of Sontag as a private person and public figure this concise biography casts new light on this pivotal figure in literary and cultural history

The Scandal of Susan Sontag Barbara Ching, Jennifer A. Wagner-Lawlor, 2009 Susan Sontag 1933-2004 spoke of the promiscuity of art and literature the willingness of great artists and writers to scandalize their spectators through critical frankness complexity and beauty Sontag's life and thought were no less promiscuous She wrote deeply and engagingly about a range of subjects theater sex politics novels torture and illness and courted celebrity and controversy both publicly and privately Throughout her career she not only earned adulation but also provoked scorn Her living was the embodiment of scandal In this collection Terry Castle Nancy K Miller Wayne Koestenbaum E Ann Kaplan and other leading scholars revisit Sontag's groundbreaking life and work Against Interpretation Notes on Camp Letter from Hanoi On Photography Illness as Metaphor I Etcetera and The Volcano Lover these works form the center of essays no less passionate and imaginative than Sontag herself Debating questions raised by the thinker's own images and identities including her sexuality these works question Sontag's status as a female intellectual and her parallel interest in ambitious and prophetic fictional women her ambivalence toward popular culture and her personal and professional scandals Paired with rare photographs and illustrations this timely anthology expands our understanding of Sontag's images and power
