Morgan,2025-09-09

Through the story of Zechariah and Elizabeth we are reminded that God remembers us and keeps His promises Robert Morgan dives deep into Scripture around the birth of the Messiah and helps us discover the glorious victorious life that awaits us in Christ The story of Zechariah and Elizabeth is often overlooked in the story of Christmas as people jump right to Luke chapter 2 glossing over the importance of this elderly couple s story The angel Gabriel announced to them that they would bear a son John who would prepare the way for the Lord Jesus They were the original heroes faithfully serving the Lord and studying His Hebrew Scriptures every day when God burst into their lives and gave them the opportunity to set into motion the events triggering the first coming of Christ God has been planning something special for you for a long time Maybe it feels as long as those 400 years between the Old and New Testaments and you ve grown weary of waiting for a Word from the Lord Are you discouraged Have you given up hope As you examine closely the amazing story in Luke chapter 1 you will discover 24 God lessons that will impact your life including how God appointed you for this very time God works grace into your grief God wants to use you whatever your age God can eradicate fear from your heart and God desire your help in raising up a new generation to serve him God intends to give you Spirit filled life and a Christ centered victory He intends to use your preordained personality for His preordered purposes Zechariah and Elizabeth want to tell us that God delights in sneaking up on His children with blessings unforeseen with grace from above so that we can experience a glorious victorious life through Jesus **Religious Systems of the World** ,1892 **Religious Systems of the World** South Place Ethical Society (London, England),1904 **Going Out with Knots** Wendy I. Modern Orthodox community can claim a place in the male centered rituals that Jewish tradition prescribes for mourning and how immersion in modern Hebrew poetry can respond deeply to both communal COVID 19 October 7 as well as personal losses offering a new form of theology and Torah
