

The background of the book cover is a complex, artistic illustration. It features a dark teal or blue-green base color. Overlaid on this are various mechanical and technical elements in a golden-brown or copper hue. These include several interlocking gears of different sizes, some with teeth clearly defined. There are also circular diagrams, possibly representing gears or wheels, and various geometric shapes like rectangles and lines, suggesting technical drawings or blueprints. The overall style is reminiscent of early 20th-century industrial art or a technical manual's decorative endpaper.
