Are You My Friend:

I Am God (And so Are You, My Friend) Danny Rongo, 2018-11-11 I Am God and So Are You My Friend A Common Man's Guide to Oneness is a book that presents itself at an extremely urgent time for our race the human race As the walls of separation hatred and divisiveness become more apparent with each passing day it becomes obvious that traditional methods for peace have not worked Oneness is the state of being completely united with one and all It is our inherent nature that our society has grown away from due to many things but mainly our ego The only way back to living in peace is through the unity that oneness represents This book explains how our society got to this boiling point of separation through our own collective consciousness yes our world is in this shape from our own doing And the only way to reverse that current collective consciousness is through oneness This book not only proves how we are connected at our very core but it also gives examples of how understanding oneness changes your life immediately which in turn effects our world collectively
