Contemporary Issues In Business Ethics:

Contemporary Issues in Business Ethics Joseph R. DesJardins, John J. McCall, 1990

Contemporary Issues in Business Ethics Mary W. Vilcox, Thomas O. Mohan, 2007 Business ethics is a form of the art of applied ethics that examines ethical rules and principles within a commercial context the various moral or ethical problems that can arise in a business setting and any special duties or obligations that apply to persons who are engaged in commerce Business ethics can be both a normative and a descriptive discipline As a corporate practice and a career specialisation the field is primarily normative In academia descriptive approaches are also taken The range and quantity of business ethical issues reflects the degree to which business is perceived to be at odds with non economic social values Historically interest in business ethics accelerated dramatically during the 1980s and 1990s both within major corporations and within academia For example today most major corporate websites lay emphasis on commitment to promoting non economic social values under a variety of headings e g ethics codes social responsibility charters In some cases corporations have redefined their core values in the light of business ethical considerations Catching business ethics in action however remains a seldom spotted nugget for in reality it depends on the characters of the characters

A Contemporary Look at Business Ethics Ronald R. Sims, 2017-07-03 A Contemporary Look at Business Ethics examines current and future challenges in business ethics emphasizing the need for ethical leadership It analyzes real world ethical scandals while discussing topics such as ethical decision making the role of religion and spirituality and the impact of scandals on employees

Contemporary Issues in Business Ethics, 6th Ed DesJardins, 2014 CONTEMPORARY ISSUES IN BUSINESS ETHICS 6E introduces readers to business ethics by focusing on the influence of market mechanisms and social values on workplace norms And because business is increasingly a global enterprise this edition emphasizes the role of ethics both at home and abroad CONTEMPORARY ISSUES IN BUSINESS ETHICS 6E also takes time to look at ethics from the unique perspectives of either employee or employer Along the way readers also learn about such topics as ethical relativism ethics and the law virtue ethics and ethical decision making

Current Issues in Business Ethics Peter W. F. Davies, 2016-01-08 Current Issues in Business Ethics analyzes the questions which underlie business activities arguing that the prime object for a legitimate business must be sustainability It also looks at the issues between individuals and business and asks whether businesses can support their employees as an alternative to family and church Finally it assesses the impact of most recent trends in business looking at the activities of multinational companies the changing gender balance privatization the loss of power of the trade unions
