Malaysian Pentecostalism from Classical to Contemporary Eva Wong Suk Kyun, 2026-01-31 The outpouring of the Spirit as prophesied in Joel 2 and fulfilled in Acts 2 has been a phenomenon to behold throughout the history of the church particularly within Pentecostalism Yet the increasing gap between the espoused theology and the current practice of Assemblies of God Malaysia AGM displays the need for a contemporary Pentecostal spirituality for the twenty first century Employing Joel 2 28 32 as an interpretive lens Dr Eva Wong Suk Kyun conducts a systematic and qualitative investigation of AGM's progression from a classical Pentecostal movement to a contemporary Pentecostal church movement The seven key theological themes of the Pentecostal movement's central beliefs and practices which are derived from Joel Acts are presented as the backdrop for the development of the movement's pneumatology wherein the voice of the Spirit is an essential element of AGM's theological missiological ecclesiological and ministerial aspects Presenting a way forward for the next generation Wong emphasizes the need for intentional spiritual discipleship by preserving the Pentecostal distinctives of baptism in the Holy Spirit glossolalia and missions This innovative study offers its readers solid theological foundations and practical insights for a holistic Pentecostal spirituality

The New Testament and the Church John Barton, Peter Groves, 2015-12-17 John Barton and Peter Groves present a range of chapters by leading scholarly voices from the worlds of biblical studies and the Church looking at the study of the New Testament within and around the Church and the impact it has had and can have on Christian theology The essays in the volume adopt a style of critical engagement with biblical texts through the prism of a modern and living Church The focus of the volume is thus not only upon the New Testament itself but upon how reading the New Testament is important for dialogue within the Church and within Christian denominations Among the highly distinguished contributors are John Barton Eric Eve Mark Goodacre Christopher Rowland and Rowan Williams
