## Contemporary Europe A History:

**Contemporary Europe** Henry Stuart Hughes, James D. Wilkinson, 1991-01-01 Contemporary Europe A History H. Stuart Hughes, 1979 Modern Europe Bernhard Struck, James Koranyi, Jan Koura, 2022-03-10 Europe is a small continent and yet it became the dominant global power from the late 18th century While the continent appeared to become a global centre it also experienced various fractures along constantly shifting state borders These developments over the past 250 years have made European history especially dynamic and exciting Modern Europe A Transnational History explores the complexity of this continent by telling a history of transnational Europe showing how it has been constantly reinvented and reconfigured by global and local connections and ruptures The authors explain Europe not in terms of a collection of national histories but focuses on the numerous cross border flows of peoples goods and ideas that cut across state boundaries As this book shows the peoples and societies of Europe can only be understood by painting a picture of connections and contestations created within empire the national and the local
