Contemporary Finnish Poetry:

Contemporary Finnish Poetry Herbert Lomas,1990-12-31 Finnish poetry is a popular poetry It does not solve problems or try to but people turn to it for solace inspiration stimulation to think about themselves extensions of experience and the shaping spirit This poetry has fed a clearly felt hunger the need for companionable reports on what it is like to be a Finn in this phase of the muddle for survival But like all authentic local reports its appeal is universal It is very spare Our own poetry can look baroque to the Finns not leaving enough silence between the words The younger poets are already moving in new directions Inheriting a flexible common idiom forged by the previous generation they have been liberated Herbert Lomas Herbert Lomas s anthology traces the history of post war Finnish poetry showing the rise and repercussions of Finland s own revolution in poetry In a wide ranging introduction he describes the poetry of all 21 writers featured in the book and presents a detailed analysis of the two major poets with international reputations Paavo Haavikko and Pentti Saarikoski the most famous of the brilliant generation of 21 year olds who led the rejuvenation of Finnish poetry in the 1950s The selections from the towering and controversial figures of Haavikko and Saarikoski cover their whole careers But the other poets too ranging from Eeva Liisa Manner born 1921 to Satu Salminiitty born 1959 are comprehensively presented Among the book s surprises are the animal parables of Kirsi Kunnas Finland s Stevie Smith and the satires of Jarkko Laine whose work is fuelled by a hatred of conventional poetry and religion *A Way to Measure Time* Bo Carpelan,Veijo Meri,1992-01-01 *A Way to Measure Time* is an anthology of contemporary Finnish poetry and prose with texts ranging from 1945 to the present Included is work by a total of 86 authors most of it translated here for the first time The texts reflect the social changes that inform the writing during the half century covered by this anthology Finland has developed from a traditional agrarian society to a post industrial one The book begins with literary realism and progresses through modernism to contemporary post modernist texts 150 years of world literary development condensed in Finland into a span of 50 years **Nodes of Contemporary Finnish Literature** Leena Kirstinä,2019-03-12 This book examines phenomena from Finnish and Finnish Swedish literature written in the years between the 1980s and the first decade of the new millennium Its objective is to study this interesting era of literary history in Finland and to sketch some possible directions for future development by identifying literary turning points which have already occurred The nine articles found in the anthology are written by some of the most prominent literary scholars in Finland These distinguished authors examine such varied topics as postmodern allegories feminism historiography autobiographic writing modern subjects in postmodern conditions metalyrical poetry realistic involvement in the novel successful children s literature and the intertextuality of Sofi Oksanen s famous novel *Purge* **Narcissus in Winter** Risto Ahti,1994 *Contemporary Nordic Literature and Spatiality* Kristina Malmio,Kaisa Kurikka,2019-10-14 This open access collection offers a detailed mapping of recent Nordic literature and its different genres fiction poetry and children s literature through the perspective of spatiality Concentrating on contemporary Nordic literature the book presents

a distinctive view on the spatial turn and widens the understanding of Nordic literature outside of canonized authors Examining literatures by Danish Norwegian Swedish and Finnish authors the chapters investigate a recurrent theme of social criticism and analyze this criticism against the welfare state and power hierarchies in spatial terms The chapters explore various narrative worlds and spaces from the urban to parks and forests from textual spaces to spatial thematics studying these spatial features in relation to the problems of late modernity

The Oxford Guide to Literature in English Translation Peter France, 2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e g Virgil s Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e g poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e g the Thousand and One Nights or writers e g Ibsen Proust but the majority offer a critical overview of a genre e g Chinese poetry Spanish Golden Age drama or of a national literature e g Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators
