Contemporary Halakhic Problems Volume 1:

Contemporary Halakhic Problems J. David Bleich, 2024-11-25 Understanding Halakhah requires appreciating the subtle interplay between timeless principles and complex ever changing realities The contemporary student of Halakhah must assess not only the questions of today but also anticipate the questions of tomorrow In this volume of Contemporary Halakhic Problems Rabbi J David Bleich not only offers a compelling analysis of the principles and methodology of Jewish law but also provides lucid summaries and analyses of classic halakhic questions together with pioneering applications of Jewish law to current social political technological and religious issues such as Autonomous automobiles Contemporary refrigerators Coronavirus queries Assignment of ventilators Disposal of fertilized ova Use of tobacco and cannabis Civil divorce and mourning Smoking on Yom Tov [Jewish Choices, Jewish Voices](#) Elliot N. Dorff, Louis E. Newman, 2009-03-01 How do we use power once we've gained it Is it completely for our individual benefit or do we use it to help our neighborhoods or society at large What kinds of decisions must CEOs and business owners make regarding suppliers and customers How should bosses treat workers Teachers treat students Parents treat children Government treats citizens Power dynamics affect people on a political level a social level and a deeply personal level as well The newest volume in the Jewish Choices Jewish Voices series examines these dynamics and includes essays by such fine contributors as U S Representative Henry Waxman NBC Universal Television West Coast President Marc Graboff and author and scholar James Diamond **J. David Bleich: Where Halakhah and Philosophy Meet** Hava Tirosch-Samuels, Aaron W. Hughes, 2015-08-25 Rabbi J David Bleich is Professor of Talmud Rosh Yeshiva at the Rabbi Isaac Elchanan Theological Seminary an affiliate of Yeshiva University as well as the Director of its Postgraduate Institute for the study of Talmudic Jurisprudence and Family Law In addition he holds the Herbert and Florence Tenzer Chair of Jewish Law and Ethics at Yeshiva University and is Professor of Law at the Cardozo School of Law A foremost authority on Jewish law and ethics he has written extensively on medical ethics Jewish law and contemporary social issues and the interface of Jewish law and the American legal system As the spiritual leader of Congregation Bnai Jehuda in Manhattan Rabbi Bleich teaches weekly Talmud classes and lectures on Jewish law and philosophy **The Oxford Handbook of Jewish Law** Oxford Handbooks, 2025-10-29 Jewish law known as halakhah is a unique legal system that developed over two millennia across multiple continents and in innumerable different contexts With contributions from an interdisciplinary cast of authors The Oxford Handbook of Jewish Law offers readers an in depth understanding of this rich and enduring legal tradition *Contemporary Halakhic Problems* J. David Bleich, 1993-01-01

[Louis Jacobs and the Quest for a Contemporary Jewish Theology](#) Miri Freud-Kandel, 2023-10-15 For Louis Jacobs the quest the process of engaging with and thinking about Jewish faith was a lifelong pursuit He offered a model in the 1960s a period characterized by general religious crisis of an observant committed but intellectually curious Judaism that empowered individual seekers to address challenges to faith In Orthodox Judaism at the time a battle was under way for religious control

Generating a widespread controversy in British Jewry known as the Jacobs Affair his thought offers a lens for examining the trajectory of Orthodoxy In a contemporary context marked by the changing cultural and intellectual concerns of a post secular age the focus of some of these debates over religious control has shifted Yet Jacobs emphasis on a personal quest is as relevant as ever perhaps more so This first book length analysis of his theology unpacks the building blocks of his thought It argues that despite its particularities and limitations his approach can provide a powerful model for contemporary religious seekers in the context of a growing impetus away from established denominationally bound forms of religion Many orthodox believers across a range of faiths continue to prefer the certainty of unquestionable religious truth claims rather than pursuing a subjective search for religious meaning For those seeking alternative models for the contemporary Jewish quest a reconsideration of Jacobs theology can offer valuable tools

Matters of Life and Death , This book discusses modern medical ethical dilemmas from a specifically conservative Jewish point of view The author includes issues such as artificial insemination genetic engineering cloning surrogate motherhood and birth control as well as living wills hospice care euthanasia organ donation and autopsy

Jewish Law and Contemporary Issues J. David Bleich, Arthur J. Jacobson, 2015-09-18 Organized as a series of authoritative discussions this book presents the application of Jewish law or Halakhah to contemporary social and political issues Beginning with the principle of divine revelation it describes the contents and canons of interpretation of Jewish law Though divinely received the law must still be interpreted and completed by human minds often leading to the conundrum of divergent but equally authentic interpretations Examining topics from divorce to war and from rabbinic confidentiality to cloning this book carefully delineates the issues presented in each case showing the various positions taken by rabbinic scholars clarifying areas of divergence and analyzing reasons for disagreement Written by widely recognized scholars of both Jewish and secular law this book will be an invaluable source for all who seek authoritative guidance in understanding traditional Jewish law and practice
