The Millennial Maze Stanley J. Grenz, 1992-09-25 Stanley J Grenz describes four major views on the millennium held by evangelicals and assesses their strengths and weaknesses
Christian Millenarianism Stephen Hunt, 2001-08-22 To grasp this subject one needs a multifaceted multidisciplinary approach by a variety of expert hands such as have been brought together in this book Here one has the whole argument from the inter Testamental and earliest Christian periods through medieval and early modern times up to the complex overlaps with the New Age or Pentecostalism and Neo Pentecostalism or Judaising movements like the Seventh Day Adventists and the Peruvian Israelites from the Foreword by David Martin Students with a serious interest in the manifestations of millennialism and those concerned with the origins and motivations embraced by revolutionary ideologies will find this book an indispensable resource for laymen it offers a truly fascinating read Bryan R Wilson This timely book examines the impact of Christian millenarian ideas in a comparative and historical perspective with a special emphasis on contemporary religious movements inspired by such ideas The contributors are Andrew Bradstock Eugene Gallagher Malcolm B Hamilton Massimo Introvigne Orestis Lindermeier Kenneth Newport Susan J Palmer Mark Patterson Martyn Percy Margaret Poloma Stanley E Porter Ian Reader Damian Thompson Andrew Walker Diane Watt and Michael York
Preaching in the Last Days Rodney L. Petersen, 1993-06-24 Visionary strength was given to the piety polity and political activity of Protestantism in its formative periods through the way in which the Apocalypse was read By identifying with the text depicting two witnesses or prophets who preach at the end of history are slain by the beast from the abyss understood to be Antichrist and rise again victoriously representatives of the Protestant movement found a measure of self identity This text Revelation 11 3 13 became the lens through which many envisioned the movement of history from the first advent of Christ to his promised return It was used by earlier reform movements but it lent special definition to the work of Protestant ministers through the nineteenth century suggesting different approaches to social organization Preaching in the Last Days is a study in the history of how the Apocalypse was read It is also an examination of how social groups are formed through ideas occasioned by texts It offers an account of the interplay between religious and social history during the time of the development of Protestantism Petersen s study provides a fascinating look at the theological significance of how we read biblical texts and the insights this offers on the development of culture the Christian movement and its churches The book is especially important for understanding the assumptions behind the ways in which the book of Revelation is being read and used in our own day

The Merging of Theology

and Spirituality Larry S. McDonald, 2006-07-29 While acknowledging the inherent tension between evangelicals who emphasize theological propositions and those who emphasize personal experience Alister McGrath believes that spirituality represents the interface between ideas and life between Christian theology and human existence The book explores the centrality of McGrath's theology in the development of his views on spirituality McGrath does not approach spirituality from a theological void but instead uses his theological perspective as the foundation Through detailed examination of McGrath's previous work and the writing of other evangelicals *The Merging of Theology and Spirituality* offers an overview of a unique thinker's contributions and a guide for future theological and spiritual exploration **Spirit of the Last Days** Peter Althouse, 2003 Early Pentecostals proclaimed the restoration of the charismatic gifts as a sign of the imminent coming of Christ This eschatology was later marginalized by the rise of fundamentalist dispensationalism Today Pentecostal eschatology is being revised to include a more transformative view of the kingdom This book proposes a further revision of Pentecostal eschatology created to recover prophetic elements of early Pentecostalism that invite a responsible social engagement in the world and to overcome fundamentalist assumptions which have crept into Pentecostal theology in its middle years To this end the eschatological thought of selected Pentecostal theologians is placed in dialogue with Jurgen Moltmann This dialogue critiques fundamentalist tendencies within contemporary Pentecostalism by advocating a theology more open to history and creation and a Pentecostal ethic both personal and social in scope Religious Books 1876-1982, 1983 **Baptist Theologians** Timothy George, David S. Dockery, 1990 An important book both for recovering the past history of creative Baptist theologians and for proclaiming the present potential of Baptist Christian thinking **The History of the Free Church of Scotland's Mission to the Jews in Budapest and Its Impact on the Reformed Church of Hungary, 1841-1914** Ábrahám Kovács, 2006 The Budapest Scottish Mission with its two fold aim mission to the Jews and initiating an Evangelical revival in the largest Protestant body had played a remarkable decisive and unique role in the long 19th century of the Hungarian Kingdom This study focuses on how the Scottish Mission implanted British Evangelicalism German Pietism voluntary organisations such as YMCA IFES WSCF Sunday School Women's Guild social outreach medical missions home mission personal piety concepts of mission and evangelisation through their Scottish Presbyterianism into Hungary The study presents the interaction of Scottish Presbyterians Orthodox Neolog Reform and Conservative and Status Quo Ante Jews of Hungary and the Hungarian Reformed Protestants It also discusses their attitudes to conversion mission proselytising education assimilation and nationalism While discussing the Mission's aims the book pays careful attention to church institutional and religious histories In addition to these local theologies ideologies and world views of the people are scrutinized Through these issues this study introduces the reader to the daily life of a multicultural community gathered around the Scottish community *A Mosaic of Believers* Gerardo Marti, 2005 Mosaic in Southern California is one of the largest multiethnic congregations in America and also one of the most innovative In *A Mosaic of Believers* Gerardo Marti

takes us inside this unusual church He shows how the church has achieved multiethnicity not by targeting ethnic groups but by providing multiple havens of inclusion and commonality that render ethnic differences moot These havens are arenas for multiethnic companionship cooperation and camaraderie that arise out of a union of creative volunteer resources and the ambitious global mission of the church A Mosaic of Believers examines the structure of the church and the innovative aspects of its mission It reveals a congregation aiming to reconstruct evangelical theology personal identity member involvement and church governance in an attempt to create an institution with greater relevance to the social reality of a new generation Based on interviews and participation with the congregation and grounded in contemporary sociological theory this book presents a rich portrait of an emerging religious community *Postmodernizing the Faith* Millard J.
