Bridge players as opposed to more experienced players the following considerations have been made in Contract Bridge for New Bridge Players 1 In Social or Party bridge partners often change every 4 to 6 hands Therefore the bidding system used is very simple and will be understood by most Social Bridge players 2 Bidding shown in the book tends to be conservative so that beginning players will be successful make their bid when they play a hand and therefore gain confidence 3 Only one Convention Blackwood is used 4 When I teach a class I am there to answer questions With this book I have tried to anticipate and answer a variety of questions that may occur 5 To personalize the book and make it more interesting I have included a number of bridge stories from my family Some go back to when my parents were playing duplicate bridge in the 1930 s soon after Contract Bridge was invented At that time they had to create their own bidding system This led to some challenging situations I hope you find that Contract Bridge for New Bridge Players helps you to enjoy the game of bridge and that you become an avid bridge player Frank Walsh **A Guide to Contract Bridge for Beginners and Teachers, Etc** Agnes Mundell TAYLOR,1930 Contract Bridge for Beginners and Intermediate Players Alan Truscott,1993 Takes the bridge player through the elements of bidding play and defense **Contract bridge for beginners only** Frederick Page Barton,1942 *Contract Bridge for Beginners* General Programmed Teaching Corporation,James E.
