

Theories of contract law

The reading discusses the following theories of contract:

- classical contract theory at [\[1.10\]-\[1.15\]](#).
- promise theory at [\[1.20\]-\[1.22\]](#).
- consent theory at [\[1.25\]](#).

The concept of contract is not particular to Australia. It has been around since ancient times and exists in all countries around the world.

Like most if not all areas of law, the origin of contract law principles is sourced from the English legal system. However, as time went on the English precedent was considered, applied and distinguished in Australian contract law which created Australia's precedents on contract law.

Precedent is the body of authorities for courts to follow in cases with similar facts. The way a court applies the precedent is also how law students apply those cases to problem-based questions.

Historically in Australia, the most common contracts were conveyancing contracts for the sale of land.

Contract Law And Theory

Robert S. Summers, Robert A. Hillman

Contract Law And Theory:

Contract Law and Theory Eric A. Posner, 2011 Contract Law and Theory conveys a grasp of theory and policy that makes all of the contract rules easier to understand By explaining and applying contract theory to a wide range of contracts cases Eric Posner reveals not only the what of doctrine but also the why why one rule rather than another makes sense from a policy perspective An understanding of what contract theory is and how it is applied will help you to understand not only Contracts as taught in law school but also the many areas of law in which contractual ideas operate such as bankruptcy law secured transactions and corporate law An exciting new Student Treatise from an eminent authority Contract Law and Theory features Complete coverage of contracts that includes the principal cases covered in most first year contracts courses A general explication of the rules of contract that begins with the simplest ideas and gradually builds in complexity A consistent emphasis on the application of theory to doctrine through analysis of a rich selection of cases A readable and expert treatment of the role of economics in contract law Illustrative examples that point to noteworthy cases Suitable for use alongside any casebook *Contract Law and Theory* Robert E. Scott, Jody P. Kraus, 2023 **Contract Law and Theory** Robert E. Scott, Jody S. Kraus, 2013-06 To order a paperback version of this casebook please click here Contract Law and Theory the leading theoretical casebook on contracts is based on clear discernible themes and patterns that underlie much of contract law and as it develops them explicitly the student is invited to develop a working model of contract law This framework for analyzing and predicting the outcome of contract disputes is then tested through careful case and doctrinal analysis Contract Law and Theory begins with an overview chapter Many of the following chapters contain introductory essays presenting some of the basic doctrines and theoretical approaches covered in the chapter The Fifth Edition has added new cases reflecting contemporary developments particularly in the areas of precontractual liability preliminary agreements and collaborative contracts The authors have also carefully rewritten and edited the text and essays and have shifted a number of principal cases to notes to both condense the book for easier coverage in four hour courses and to enhance the book's accessibility to students This book also is available in a three hole punched alternative loose leaf version printed on 8 5 x 11 inch paper with wider margins and with the same pagination as the hardbound book *Contract Law and Theory* Robert E. Scott, 1988 **The Theory of Contract Law** Peter Benson, 2001-02-05 Although the law of contract is largely settled there appears to be no widely accepted comprehensive theory of its main principles and doctrines or of its normative basis Contract law theory raises issues concerning the relation between law and morality the role and the importance of rights the connection between justice and economics and the distinction between private and public law This collection of six full length essays written by some of the most eminent scholars in the field explores the general theory of contract law from a variety of theoretical perspectives The volume addresses a wide range of issues both methodological and substantive in the theory and practice of contract law While the essays build upon past theoretical contributions they also attempt to take

contract theory further and suggest promising ways to develop theory of contract law *Advanced Introduction to Contract Law and Theory* Brian H. Bix, 2023-07-01 This comprehensive *Advanced Introduction* provides an overview of contract law and contemporary contract theory Demonstrating that an understanding of theory and policy is a vital aspect of being an effective practicing lawyer Brian H Bix explores which theoretical approaches can best explain and justify contract law arguing for greater critical attention to the connections between contract law theory practice and teaching *Contract Law* Brian H. Bix, 2012-10-15 To gain a deep understanding of contract law one needs to master not only the rules and principles of the field but also its underlying theory and justification and its long and intricate history This book offers an accessible introduction to all aspects of American contract law useful to both first year law students and advanced contract scholars The book is grounded on up to date scholarship and contains detailed references to cases statutes Restatements and international legal principles The book takes the reader from contract formation through interpretation and remedies considering both the practical and theoretical aspects throughout Each chapter also includes helpful lists of suggested further reading

Contract Law and Theory Robert E. Scott, 1998 **A Theory of Contract Law** Peter A. Alces, 2011 In the past few decades scholars have offered positive normative and most recently interpretive theories of contract law This title confronts the leading interpretive theories of contract and demonstrates their interpretive doctrinal failures *The Richness of Contract Law* R.A. Hillman, 2012-12-06 Scholars have produced a wide variety of theoretical work on contract law This is the first book to compile it to present it coherently to evaluate it and to supply numerous references to additional sources The author also offers his own practical perspective that emphasizes contract law s richness and complexity and questions the utility of abstract unitary theories The author argues that notwithstanding contract law s complexity it successfully facilitates the formation and enforcement of private arrangements and ensures a degree of fairness in the process of exchange Each chapter presents a pair of largely contrasting theories to clarify the central issue of contract law and theory to set forth the range of views and to help identify a practical middle ground Among the contract theories discussed and analyzed are promise contextual feminist formal mainstream critical economic empirical and relational The book should interest legal theorists practising lawyers law students and general readers who want to learn more about contract law and theory

Contract Law and Theory Robert E. Scott, Jody S. Kraus, 2007-01-01 *Contracts* Daniel Markovits, Gabriel Rauterberg, 2018-06-16 *Contracts Cases and Theory* has two principal ambitions first to present the basic doctrine of contracts in a comprehensive and coherent fashion and second to encourage a rigorous and interdisciplinary approach to thinking about the values and principles that inspire the law The book provides a systematic survey of contract law while weaving in perspectives from economics philosophy sociology and legal theory to show how these disciplines can be used to both illuminate and criticize the law as it stands The book s treatments of law and ideas are designed to be free standing making the book an excellent introduction to interdisciplinary legal thought for students without prior training in other fields

Contract as Promise Charles Fried, 2009-06-01 This book displays the underlying structure of a complex body of law and integrates that structure with moral principles Charles Fried grounds the basic legal institution of contract in the morality of promise under which individuals incur obligations freely by invoking each other's trust Contract law and the promise principle are contrasted to the socially imposed obligations of compensation restitution and sharing which determine the other basic institutions of private law and which come into control where the parties have not succeeded in invoking the promise principle as in the case of mistake or impossibility Professor Fried illustrates his argument with a wide range of concrete examples and opposing views of contract law are discussed in detail particularly in connection with the doctrines of good faith duress and unconscionability For law students and legal scholars Contract as Promise offers a coherent survey of an important legal concept For philosophers and social scientists the book is a unique demonstration of the practical and detailed entailments of moral theory *Reasonableness and Responsibility: A Theory of Contract Law* Martín

Hevia, 2012-09-14 If as John Rawls famously suggests justice is the first virtue of social institutions how are we to understand the institution of contract law This book proposes a Rawlsian theory of contract law It argues that justice requires that we understand contract rules in terms of the idea of reasonable terms of interaction that is terms that would be accepted by reasonable persons moved by a desire for a social world in which they as free and equal can cooperate with others on terms they accept On that basis the book explains the main doctrines of contract law including those governing third parties in both the Common Law and the Civil Law **Contract Law** Brian Bix, 2012 This book offers an accessible introduction to all aspects of American contract law useful to both first year law students and advanced contract scholars **Contract Law**

Without Foundations Prince Saprai, 2019-02-28 This book advances a theoretical account of contract law grounded in value pluralism Arguing against attempts to delineate branches of legal doctrine by reference to single unifying values the book suggests that a field such as contract law can only be explained and justified by the interaction of a multiplicity of moral values In recent times the philosophy of contract law has been dominated by the promise theory according to which the morality of promise provides a blueprint for the structure shape and content that contract law rules and doctrines should take The promise theory is an example of what this book calls a foundationalist theory whereby areas of law reflect or are underlain by particular moral principles or sets of such principles By considering contract law from the point of view of its theory rules and doctrines and broader political context the book argues that the promise theory can only ever offer part of the picture The book claims that top down theories of contract law such as the promise theory and its bitter rival the economic analysis of law seriously mishandle legal doctrine by ignoring or underplaying the irreducible plurality of values that shape contract law The book defends the role of this multiplicity of values in forging contract doctrine by developing from the ground up a radical and distinctly republican reinterpretation of the field The book encourages readers to move away from a top down theory of contract law such as the promise theory and instead embrace a distinctly republican

approach to contract law that would justify the legal rules and doctrines we find in particular jurisdictions at particular times

Contract Law and Theory Robert E. Scott, Douglas L. Leslie, 1990 **Contract and Related Obligation** Robert S. Summers, Robert A. Hillman, 2006 This casebook focuses not only on the rules and principles of contract law but also on the lawyer's role in planning and drafting contracts and on the richness of contract theory It has comprehensive coverage of contract law and related obligation the latter including promissory estoppel restitution and tort arising in the contract setting This book is primarily a case book designed to help students develop important analytical and critical skills but also has ample notes problems and excerpts that focus on the nature function and limits of contract and related law Features of the new Fifth Edition include several recent cases that bring important issues up to date new notes and comments about recent developments in contract law and recent contract controversies in the news and new excerpts from the secondary literature focusing on major recent developments Justice in Transactions Peter Benson, 2019-12-17 One of the most important contributions to the field of contract theory if not the most important in the past 25 years Stephen A Smith McGill University Can we account for contract law on a moral basis that is acceptable from the standpoint of liberal justice To answer this question Peter Benson develops a theory of contract that is completely independent of and arguably superior to long dominant views which take contract law to be justified on the basis of economics or promissory morality Through a detailed analysis of contract principles and doctrines Benson brings out the specific normative conception underpinning the whole of contract law Contract he argues is best explained as a transfer of rights which is complete at the moment of agreement and is governed by a definite conception of justice justice in transactions Benson's analysis provides what John Rawls called a public basis of justification which is as essential to the liberal legitimacy of contract as to any other form of coercive law The argument of Justice in Transactions is expressly complementary to Rawls's presenting an original justification designed specifically for transactions as distinguished from the background institutions to which Rawls's own theory applies The result is a field defining work offering a comprehensive theory of contract law Benson shows that contract law is both justified in its own right and fully congruent with other domains moral economic and political of liberal society **Contract Theory** Larry A. DiMatteo, 1998 Contract Theory examines the logical and conceptual structures that arise in the process of making honoring and enforcing contracts The touchstone of Anglo American contract law is the determination of contractual intent Larry DiMatteo focuses on the development construction and application of the reasonable person standard

Contract Law And Theory Introduction

In today's digital age, the availability of Contract Law And Theory books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Contract Law And Theory books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Contract Law And Theory books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Contract Law And Theory versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Contract Law And Theory books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Contract Law And Theory books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Contract Law And Theory books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of

Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Contract Law And Theory books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Contract Law And Theory books and manuals for download and embark on your journey of knowledge?

FAQs About Contract Law And Theory Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Contract Law And Theory is one of the best book in our library for free trial. We provide copy of Contract Law And Theory in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Contract Law And Theory. Where to download Contract Law And Theory online for free? Are you looking for Contract Law And Theory PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Contract Law And Theory. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Contract Law And Theory are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free

access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Contract Law And Theory. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Contract Law And Theory To get started finding Contract Law And Theory, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Contract Law And Theory So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Contract Law And Theory. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Contract Law And Theory, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Contract Law And Theory is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Contract Law And Theory is universally compatible with any devices to read.
