## **Control Growth Factors In The Prevention Of Cancer:**

*Control of Growth Factors and Prevention of Cancer* Michael B. Sporn, 2012-12-06 It is now apparent that several fields of investigation are converging upon each other as the goal of finding a practical way to prevent cancer is pursued The present monograph represents the efforts of an interdisciplinary ESO Task Force that was convened to assess interactions of peptide growth factors and steroid like molecules in the prevention of cancer Each of the participants in the Task Force represents a different scientific discipline and the monograph is intended to be a synthesis of their different approaches to the common problem of cancer prevention It is hoped that the reader will find this monograph to be of use in the evaluation of both preclinical and clinical approaches to the major issues that face us in chemoprevention It is clear that prevention of cancer is an idea whose time has come and the problem now is to implement the most effective approaches toward achieving the desired goals
