Making the Modern Reader Barbara M. Benedict,2018-12-04 Inquiring into the formation of a literary canon during the Restoration and the eighteenth century Barbara Benedict poses the question Do anthologies reflect or shape contemporary literary taste She finds that there was a cultural dialectic at work miscellanies and anthologies transmitted particular tastes while in turn being influenced by the larger culture they helped to create Benedict reveals how anthologies of the time often created a consensus of literary and aesthetic values by providing a bridge between the tastes of authors editors printers booksellers and readers Making the Modern Reader the first full treatment of the early modern anthology is in part a history of the London printing trade as well as of the professionalization of criticism Benedict thoroughly documents the historical redefinition of the reader once a member of a communal literary culture the reader became private and introspective morally and culturally shaped by choices in reading She argues that eighteenth century collections promised the reader that culture could be acquired through the absorption of literary values This process of cultural education appealed to a middle class seeking to become discriminating consumers of art By addressing this neglected genre Benedict contributes a new perspective on the tension between popular and high culture between the common reader and the elite This book will interest scholars working in cultural studies and those studying noncanonical texts as well as eighteenth century literature in general Originally published in 1996 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Modern Reader's**

Japanese-English Character Dictionary Andrew N. Nelson, 2014-09-08 The Japanese government may someday recognize as it ought to Tuttle's contribution to creating an intelligent interest in Japan among the English reading public and deepening understanding of Japanese overseas STRONG Hokubei Mainichi San Francisco Awarded the 1969 Prize for the Society of the Promotion of International Cultural Relations this is the most comprehensive Japanese book of its kind Containing Japanese English and English Japanese sections it is an essential reference tool for serious students studying the Japanese language or for business people and tourists wishing to learn Japanese before they travel Special features include Lists over 5 000 carefully selected characters with their 10 000 current readings and almost 70 000 compounds in current use all with concise English definitions Scientifically arranged by a logical extension of the traditional radical system so as to make the finding of a given character almost fool proof saving hours of time Makes provision for quickly finding characters either in their traditional or their modern and often greatly altered forms thus serving for both prewar and postwar literature Includes 14 valuable appendices giving 1 instructions for the most efficient use of the book 2 discussions of the written language in general and particularly of its recent and far reaching official modifications and 3 much helpful Selected Essays on Pre- and Early Modern Mathematical Practice Jens Høyrup, 2019-09-20 This book presents a broad selection of articles mainly published during the last two decades on a variety of topics within the history of mathematics mostly focusing on particular aspects of mathematical practice This book is of interest to and provides methodological inspiration for historians of science or mathematics and students of these disciplines **The Connoisseur**, 1921 **The Modern Reader's Bible** Richard Green Moulton, 1907 *The Modern Reader's Bible: Proverbs, 1903*, 1895 The United States Catalog, 1921 *The Billboard*, 1930 The Annual American Catalogue Cumulated 1900-1901, 1902 The Annual American Catalog, 1902 *The United States Catalog* Eleanor E. Hawkins, 1921 The Annual American Catalogue Cumulated, 1902 **The Publishers Weekly**, 1923 **The modern reader's Bible, ed. by R.G. Moulton** Richard Green Moulton, 1897 The 'Agamemnon' of Aeschylus Aeschylus, 1904
