Contemporary Roman Catholicism

Chester Gillis

Contemporary Roman Catholicism:

Catholicism Today Evyatar Marienberg, 2014-08-07 Catholics are not Christians They worship Mary They do whatever the pope says They cannot divorce They eat fish on Fridays These flawed but common statements reflect a combined ignorance of and fascination with Catholicism and the Catholic Church **Catholicism Today** An Introduction to the Contemporary Catholic Church aims to familiarize its readers with contemporary Catholicism The book is designed to address common misconceptions and frequently asked questions regarding the Church its teachings and the lived experience of Catholics in modern societies worldwide Opening with a concise historical overview of Christianity in general and Catholicism in particular the text explores the core beliefs and rituals that define Catholicism in practice the organization of the Church and the Catholic calendar as well as the broad question of what it means to be Catholic in a variety of cultural contexts The book ends with a discussion of the challenges facing the Church both now and in the coming decades Also included are two short appendices on Eastern Catholicism and Catholicism in the United States *Roman Catholicism* Paul G. Schrotenboer, 1988 **Is the Reformation Over?** Mark A. Noll, Carolyn Nystrom, 2008-04 An evangelical evaluation of post Vatican II Roman Catholicism and evangelical Catholic relations **Modern Catholicism** Adrian Hastings, 1991 When Pope John XXIII convened the Second Vatican Council in 1963 he could not have predicted the dramatic transformation of modern Roman Catholicism that would result from its deliberations Its influence has reached into every aspect of Catholic life and continues to be felt and hotly debated to the present day In this sweeping new study edited by the eminent British Catholic theologian Adrian Hastings a distinguished team of international scholars provides a complete history of the Council and assesses its impact on the last quarter century of Catholic thought and practice The contributors consider the reign of John XXIII and his immediate predecessors and successors the history of the Council and each of the sixteen documents it issued which together represent perhaps the most authoritative church teaching of this century embodying radical changes in the liturgy and greater participation in services by lay members But Vatican II also left behind many unresolved controversies such as celibacy of priests and birth control and the contributors also examine these and other issues including the role of women in the Church homosexuality divorce and war and the nuclear predicament In addition the impact of the Council on different parts of the world is discussed giving full weight to the emergence of liberation theology in Latin America and the Philippines and the desire of African and Asian Catholics to assimilate aspects of their traditional culture into Church life **Modern Catholicism** offers us a new map for understanding the challenges faced by the Church as we approach the end of the second millennium of Christianity Commemorating the twenty fifth anniversary of Vatican II this book is destined to become the standard resource on the Council and its influence *Contemporary Roman Catholicism* Rosemary Radford Ruether, 1987 *Catholicism and Religious Freedom* Kenneth L. Grasso, Robert P. Hunt, 2006-10-19 The late Pope John Paul II frequently invoked *Dignitatis Humanae* as one of the foundational documents of contemporary Church

social teaching In this timely new edited collection *Catholicism and Religious Freedom Contemporary Reflections on Vatican II's Declaration on Religious Liberty* Kenneth L Grasso and Robert P Hunt have assembled an impressive group of scholars to discuss the current meanings of one the Vatican's most important documents and its place in the Church *Dignitatis Humanae* understands itself as bringing forth new things that are in harmony with the old Today forty years after its publication the precise nature of these new things and their relationship to the old remain among the most important pieces of unfinished business confronting Catholic social thought The theological issues brought forth in *Dignitatis Humanae* go to the heart of the contemporary debate about the nature foundation and scope of religious liberty Here the contributors to this volume give these considerations the serious and sustained attention they deserve *Contemporary Roman Catholicism* Rosemary Radford Ruether, 1987 *The Teachings of Modern Roman Catholicism on Law, Politics, and Human Nature* John Witte (Jr.), John Witte, Frank S. Alexander, 2007 This Landmark three volume series examines how modern Catholic Protestant Orthodox thinkers have responded to the most pressing political legal ethical questions of our time *Transformations in Contemporary Roman Catholicism* Theodore Koopmanschap, 1978 **Roman Catholicism in America** Chester Gillis, 1999 Offering a wealth of information about church membership and ethnic and geographical makeup the book explores how Catholic views on issues such as human life abortion poverty and American culture have profoundly affected political and moral discourse in the United States A chronology glossary profiles of prominent American Catholics annotated bibliography and a list of electronic resources are also included [Roman Catholicism and Modern Science](#) Don O'Leary, 2006-09-15 Presents a history of the controversial views of the Roman Catholic Church about the discoveries of modern science from the eighteenth century up to the present covering such topics as evolution contraception stem cell research and organ transplants *Witchcraft and the Modern Roman Catholic Church* Francis Young, 2022-01-27 Witchcraft is rarely mentioned in official documents of the contemporary Roman Catholic church but ideas about the dangers of witchcraft and other forms of occultism underpin the recent revival of interest in exorcism in the church This Element examines hierarchical and clerical understandings of witchcraft within the contemporary Roman Catholic church The Element considers the difficulties faced by clergy in parts of the developing world where belief in witchcraft is so dominant it has the potential to undermine the church's doctrine and authority The Element also considers the revival of interest in witchcraft and cursing among Catholic demonologists and exorcists in the developed world The Element explores whether it is possible for a global church to adopt any kind of coherent approach to a phenomenon appraised so differently across different cultures that the church's responses to witchcraft in one context are likely to seem irrelevant in another **Readings in Church Authority** Richard Gaillardetz, Kenneth Wilson, 2017-03-02 The issues of Authority and Governance in the Roman Catholic Church permeate each and every aspect of the Church's identity teaching influence organisation moral values and pastoral provision They have left their mark in turn upon its diverse theological and philosophical traditions The trends of postmodernity advances in

communication the advent of new ecclesial movements and theologies and a perceived policy towards increasing institutional centralisation on the part of the Curial authorities of the Church in Rome have all facilitated a continuous and lively stream of dialogue and disagreement on authority and governance in relation to the place of the Church in our age and the new Millennium This comprehensive Reader uniquely gathers together in one volume key writings and documents from the wealth of published literature that has emerged on the issues of authority and governance in the Roman Catholic Church With guided introductions to each section and to each reading and end of chapter further reading lists this Reader offers a balanced range of perspectives themes international writings ecumenical dimensions and formal church documents and Papal pronouncements on core areas of contemporary study and debate Focusing on the modern post modern period in the Roman Catholic Church but grounded in the historical contexts Readings in Church Authority presents an accessible source book and introduction for all those exploring current debates and studying central themes in church authority

Roman Catholicism Dermot Nash, Protestant Truth Society, 2006 *The Contemporary Review*, 1900 **Contemporary Catholicism in the United States** Philip Gleason, Jay J. Coakley, 1969 The Church Emerging from Vatican II Dennis Michael Doyle, 1992 This clearly presented introduction to Catholicism is ideal for the adult reader interested in an academic yet lively approach to their faith It answers the question of what it means to be a believing practicing Catholic today in terms of Vatican II ecclesiology and contemporary theology from back cover **Contemporary Review**, 1896 **A Comparison of Contemporary Roman Catholicism and I Peter** Arthur Joseph Stejskal, 1957 **Sociological Studies in Roman Catholicism** Roger O'Toole, 1989 A study of Catholicism in the diverse contexts of French and English Canada Italy Switzerland Latin America the British Isles and the United States Not intended as a geographical survey the text offers perspectives on various sociological approaches to Catholicism
