Easy Tammara Webber, 2012-05-25 A NEW YORK TIMES BESTSELLER and GOODREADS CHOICE FINALIST A girl who believes trust can be misplaced promises are made to be broken and loyalty is an illusion A boy who believes truth is relative lies can mask unbearable pain and guilt is eternal Will what they find in each other validate their conclusions or disprove them all When Jacqueline follows her longtime boyfriend to the college of his choice the last thing she expects is a sophomore year breakup After two weeks in shock she wakes up to her new reality she s single attending a state university instead of a music conservatory ignored by her former circle of friends and failing a class for the first time in her life Grief becomes nightmare when Jacqueline is assaulted by her ex s frat brother Rescued by a stranger who seems to be in the right place at the right time she wants nothing more than to forget the attack and that night But her attacker turns stalker and Jacqueline has a choice to make crumple in defeat or fight back Suddenly appearances are everything and knowing who to tell and who to trust is anything but easy
