

# Divine Unity Of Scripture

**Saphir Adolph 1831-1891**

## **Divine Unity Of Scripture:**

*The divine unity of Scripture* A. Saphir, 1894      *The Divine Unity of Scripture* Adolph Saphir, 1896      **The Divine Unity of Scripture** Adolph Saphir, 2013-09 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book without typos from the publisher. Not indexed. Not illustrated. 1896 edition. Excerpt: THE DEEP SPIRITUAL MEANING OF THE DECALOGUE AND OF THE WHOLE LAW. The great lessons conveyed in the Pentateuch: The paschal lamb, The departure from Egypt, Mount Sinai, The Shemites generally idolaters, not monotheists. De Quincey on the idea of God, The philosopher's abstract God, The covenant of Sinai, what was it? Not a covenant of works. The covenant with David, 2 Samuel vii, not of works. The law usually divided into moral, ceremonial, and political. An element of truth in this division, but in the main, deceptive. Not morality that is taught in the ten commandments, but our relation to God. How striking is the statement: Unto a thousand generations of them that love me and keep my commandments. Love to God, the centre of the law. The so-called ceremonial law, deeply spiritual. The ten commandments as it were the face of the law. Jehovah repeated 6,000 times in Old Testament and Elohim only 2,500 times. God speaks as the loving God with the very tenderness of Christ when on earth. The love of God felt and seen with all intensity in the Psalms and the Prophets. Propitiation understood clearly. Christ, the fulfilment and clear interpreter of the law. Let Us for a few moments look back again on the teaching connected with the history recorded in the book of Genesis. Genesis is the Alpha of Scripture and because Jesus Christ is the Alpha, Genesis is full of Christ. The higher teaching which is given to us in the apostolic Scriptures brings out deeper truths than those which we considered when we dwelt chiefly upon the training which God gave to the human race and to His chosen ones, Abraham, Isaac, and Jacob, limiting ourselves to what they were most probably able to understand at the time. But who that has read the gospels      *The Divine Unity of Scripture (Classic Reprint)* Adolph Saphir, 2016-06-27 Excerpt from *The Divine Unity of Scripture*. These lectures of Dr. Saphir were delivered in Kensington at the close of 1889 and beginning of 1890. They are in some respects the most important of all his writings, as they give in connected form his matured views of the relation of the two great divisions of the Bible. No preacher or writer of our day had such a clear insight into the spirit and connection of the sacred writings. This was the great charm of his preaching, which made it so attractive to many earnest-minded Christians of all churches. It was full of instruction because it brought out the deep meaning quite apparent when indicated for his interpretations were not fanciful but real of the symbols and prophecies of the Old Testament as well as of the narratives and sayings of the New. The unity of teaching he most clearly proved and strikingly illustrated. His identification of Jehovah with Jesus can scarcely be disputed by any careful and prayerful student of Scripture. It is everywhere manifest in the claims and teachings of Jesus Himself. His distinction between monotheism and Jehovahism is vital and clears away much of the vague mistiness of modern speculation. Dr. Saphir was a man of genius and commanding intellect belonging to a. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and

classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
