Catholic Priesthood Today:

The Risk of Discipleship Roderick Strange, 2004 A dense haze of controversial issues lies over any honest discussion of the Catholic priesthood the scandal of sexual abuse by priests the sharp decline in vocations in Europe North America and Australia the sexual orientation of seminarians obligatory celibacy the ordination of married men the ordination of women *The Risk of Discipleship* attempts to convey something of the reality of priestly life its sorrows and joys its demands and rewards It is a life worth living Those who are called to ministerial priesthood are invited to be living signs of Christ's presence within the community What is asked of the baptized is expected of the ordained Following Jesus of Nazareth modelling themselves on him they must first of all be well rounded humans who will live prayerfully and delight in studying and exploring the mysteries of faith

The First Five Years of the Priesthood Dean R. Hoge, 2017-06-15 Catholic Press Association Award Winner Reports indicate that many newly ordained men are feeling demoralized and some are resigning The accounts raised many questions How widespread is the problem What difficulties are the recently ordained priests facing Is the problem due to changes in lay attitudes or to changes in the ordained themselves Is the situation different from what it was ten or twenty years ago The First Five Years of the Priesthood is a collaborative work of the National Federation of Priests Councils and the Life Cycle Institute of The Catholic University of

America that considers this phenomenon It explores the experience of early priesthood and is based on a pilot survey of two groups recently ordained priests active in service and those who have resigned The research team minimized interpretative work on the findings and engaged credible voices in American Catholic life to write commentaries on the implications of the findings The First Five Years of the Priesthood includes both the research findings and commentaries Chapters are The Setting of the Priesthood Today Attitudes of Newly Ordained Active and Resigned Priests What Makes for Satisfied Newly Ordained Priests Four Types of Resigned Priests Life Experiences of Newly Ordained Active and Resigned Priests and Recommendations Made by the Priests Dean R Hoge is a professor in the department of sociology at The Catholic University of America in Washington D C He has done sociological research serving American churches for 31 years and has authored several books and articles on American religion

Same Call, Different Men Mary Gautier, Paul M. Perl, Stephen J. Fichter, 2012 Far reaching changes continue to take place in the American priesthood Building on insights gained from four previous surveys Same Call Different Men uses fresh data from a 2009 survey jointly implemented by the National Federation of Priests Councils and the Center for Applied Research in the Apostolate in which 900 priests shared attitudes and stories about their lives and ministry Among topics covered are the challenges of ministry with fewer ordinations and larger parishes ministering to an increasingly multicultural laity collaboration with lay leaders and personal reflections on the sexual abuse issue It also relates the many satisfactions of being a priest one who brings Christ to others and who is invited into many profound moments of individual lives

Biblical Leadership Benjamin K. Forrest, Chet Roden, 2017-11-28 Biblical Leadership takes the best of evangelical scholarship to make the leadership lessons of Scripture tangible for today's readers All contributors are biblical scholars who not only think seriously about the texts covered in their individual chapters but have committed their lives to teaching and living the truths therein This volume walks through the sections of the Bible gleaning insights from each biblical writer Every chapter analyzes the original setting of the writing extrapolates the leadership principles in the text and provides advice on applying that theology of leadership Presented in everyday language understandable to both professionals and practitioners these lessons will equip current and upcoming leaders to make a Christlike impact

Priest Michael S. Rose, 2003 Contrary to media reports priestly virtue continues to flourish in rectories across America Although its ranks have thinned there still remains a thriving priesthood of faithful men who are worthy of our support and who deserve our gratitude

From Celibate Catholic Priest to Married Protestant Minister Stephen Joseph Fichter, 2015-07-15 From Celibate Catholic Priest to Married Protestant Minister Shepherding in Greener Pastures describes a previously unstudied population of celibate Catholic priests who left the priesthood and eventually became married Protestant ministers Stephen Fichter alternates from narrative to descriptive as he follows the lives of three of his study participants before during and after their dual transition The descriptive sections include a history of religiously motivated celibacy and a review of the four leading forerunners in the field of Catholic clergy research This scholarly study is the first

time that these transitional clerics have candidly explained their difficult journeys of discernment Religion love loss and commitment are all analyzed in the context of this unique group of men and the profiles in this book are memorable not only for the richness of their content but also and maybe most importantly for their humanity Lessons can be drawn for all people especially those who have ever suffered a mid life crisis Catholicism in the Third Millennium Thomas P.
