## **Cavafy A Biography:**

*Cavafy* Robert Liddell, 2000 Refreshingly concise biography provides sympathetic analysis of many of the poet's best known works

Constantine Cavafy Gregory Jusdanis, Peter Jeffreys, 2025-08-12 The first biography in nearly fifty years of the greatest Greek poet of the twentieth century This study of C P Cavafy's life portrays the man as a flawed genius who changed the fate of world poetry Seeking to capture the contradictions and perplexities of Cavafy's life and poetry Gregory Jusdanis and Peter Jeffreys move through the poet's life thematically The book begins in Cavafy's hospital room where he lies dying among his friends before turning to his family chronicling the lives of his parents and siblings and detailing the vicissitudes of the family after his father's death with moves to London Liverpool and Istanbul Next the biography zooms in on his beloved city Alexandria which nourished his imagination and which he converted into a metaphor both of his own poetry and of modern life Cavafy's circle is examined too his childhood companions the friends of middle age and finally those individuals with whom he associated at the end of his life

Constantine Cavafy A New Biography also centers on the poetry itself from Cavafy's first attempts to write verse to how in middle age he abandoned most of what he had previously written and developed the style that the world now knows as Cavafian Further his contradictions become apparent as well as his crucial choice to sacrifice love for fame and a global reputation

**Alexandrian Sphinx** Peter Jeffreys, Gregory Jusdanis, 2025-08-28 A gripping and revealing new biography of one of the greatest of modern poets the queer Greek Egyptian Constantine Cavafy whose admirers have ranged from E M Forster T S Eliot and Virginia Woolf to Jackie Onassis Leonard Cohen and Stephen Fry In this illuminating book Peter Jeffreys and Gregory Jusdanis reveal Cavafy as a troubled brilliant poet who sacrificed love for his art and changed the course of world poetry *Alexandrian Sphinx* chronicles the extraordinary story of his family the vicissitudes of their fortunes and their eventual poverty when they left Egypt and moved to Liverpool London and Istanbul As the poet reached adulthood his story centred on his beloved Alexandria the city that nourished his imagination and became for him a metaphor of both his poetry and modern life Deep archival research uncovers the poet's relationships with his teenage companions his friends of middle age and the individuals whom in later life he enlisted in his steadfast pursuit of fame *Alexandrian Sphinx* tells not only of Cavafy's life but of his work and his artistic journey from his early poetic experiments to his startling reinvention in middle age when he renounced much of what he had written and developed a radical new poetics Erotic philosophical and linguistically suggestive this widely imitated yet singular style is now recognized and revered as Cavafian

Essential Cavafy Cavafy, Edmund Keeley, 1995-09-21 Gathers selected poems from Cavafy that explore the history and culture of his country Greece and provides a brief biography of the poet

Cavafy's Alexandria Edmund Keeley, 1996 C P Cavafy one of the greatest modern Greek poets lived in Alexandria for all but a few of his seventy years Alexandria became for Cavafy a central poetic metaphor and eventually a myth encompassing the entire Greek world In this

the first full length critical work on Cavafy in English Keeley describes Cavafy s literary progress and aesthetic development in the making of that myth **Homage to Cavafy** Constantine Cavafy,1978 No 509 of a special edition of 1000 copies

*Literary Translation and the Making of Originals* Karen Emmerich,2017-09-21 Literary Translation and the Making of Originals engages such issues as the politics and ethics of translation how aesthetic categories and market forces contribute to the establishment and promotion of particular originals and the role translation plays in the formation re formation and deformation of national and international literary canons By challenging the assumption that stable originals even exist Karen Emmerich also calls into question the tropes of ideal equivalence and unavoidable loss that contribute to the low status of translation translations and translators in the current literary and academic marketplaces [Encyclopedia of World Biography](#) ,1998 Presents brief biographical sketches which provide vital statistics as well as information on the importance of the person listed *Cavafy's Hellenistic Antiquities* Takis Kayalis,2023-12-11 This book reinterprets C P Cavafy s historical and archaeological poetics by correlating his work to major cultural political and sexualized receptions of antiquity that marked the turn of the 20th century Focusing on selected poems which stage readings of Hellenistic and late ancient texts and material objects this study probes the poet s personal library and archive to trace his scholarly sources and scrutinize their contribution to his creative practice A new understanding of Cavafy s historicism emerges by comparing his poetics to a broad array of discourses and intellectual pursuits of his time these range from antiquarianism physiognomy and Egyptomania to cultural appropriations of the classics which sought to legitimate British colonial rule as well as homoerotic desire As this volume demonstrates Cavafy embraced antiquarianism as an empathetic and passionate way of relating to the past and shaped it into a method that allowed his poetry to render modern meanings to Hellenistic antiquities *Cavafy as World Literature* Takis Kayalis,Thomas Oliver Beebee,Vicente Fernández González,Sofia Ahlberg,2025-12-11 An inclusive and detailed view of C P Cavafy as a World poet tracing his critical reception his translation history and his work s multiple interpretations around the globe from the 1920s to the present Translated into many languages and in multiple editions the poetry of C P Cavafy has attracted an international audience for nearly a century and during the last three decades has been unequivocally recognized as world literature This unprecedented volume clarifies enriches and problematizes multiple facets of Cavafy s presence in the contemporary global literary sphere while also drawing attention to its historical background through discussion of largely unknown material from the poet s library archive and early critical reception Aside from having a strong global readership Cavafy s work has been used by poets and artists all over the world as raw material for inspiration and re translation into new cultural production Some of his poems have assumed a universal and almost proverbial function in the global public sphere whereas others have acquired new meanings and pertinence in specific historical cultural and gender related contexts significantly different from their original conception With essays from 19 scholars and researchers from 6 countries Cavafy as World Literature offers a collective and multi dimensional overview of Cavafy s presence and
